EVENTS

University of Montana

Information Services 406 243-2522

JUNE 1-7

Monday, May 19

PSYCHOLOGY COLLOQUIUM, 7:30 p. m., University of Montana, Psychology Building 205. Dr. Carol Ammons, UM faculty affiliate, will speak on "Karl Dallenbach and the Structuralist 'School'."

Tuesday, May 20

PSYCHOLOGY COLLOQUIUM, 12:10 p. m., University of Montana, Psychology Building 205. Dr. Maureen Ullrich, UM associate professor of management and faculty affiliate in psychology, will speak on "History of Women in Management."

Tuesday, June 3

SIGMA XI LECTURE AND SLIDE SHOW ABOUT MOUNT ST. HELENS, 7:30 p. m., University of Montana Science Complex 131. Drs. Anthony Qamar and Johnnie Moore of the UM geology faculty will show slides of the mountain before and after the eruption and discuss volcanos in general. Free.

Thursday, June 5

"MONTANA'S MISSILES CONFERENCE," starts at 8:30 a. m. in the University Center Ballroom at the University of Montana. The all-day conference will close with a session at 8 p. m. on "Do We Need the MX Missile?"

MATHEMATICS COLLOQUIUM, 4 p. m., University of Montana, Mathematics Building 109, preceded by coffee at 3:30 in room 206. Dr. Ellis Waldron, UM professor emeritus of political science, and Dr. Paul Wilson, UM associate professor of geography, will speak. One facet of presentation concerns categorizing and displaying county voting data including problems of computer graphic representation. The second part deals with the problem and potentials of analyzing county voting data. Their research on these matters resulted in their recently published book, "Atlas of Montana Elections 1889-1976."
