## ELDERHOSTELERS TO ARRIVE SUNDAY

Forty men and women from 11 states, from New York to Hawaii, are enrolled in the Elderhostel program at the University of Montana July 13-18.

The hostelers will have many opportunities for recreation and learning, including field trips to geologic attractions in the vicinity, a visit to the St. Ignatius Mission, and courses in history, art and geology.

The UM Elderhostel is part of a network of colleges and universities in the United States and Canada that offer special low-cost, one-week residential academic programs for older citizens. The UM will have another Elderhostel group on campus Aug. 3-9.
