ADLER WILL BE VISITING SUMMER
SCHOLAR AT CANADIAN UNIVERSITY

MISSOULA --

Dr. Richard Adler, an associate professor of English at the University of Montana, will be a visiting scholar at the University of Calgary, Alta., in the summer of 1981. He will conduct an International Seminar on the Teaching of Writing for teachers from Australia, New Zealand, England, Canada and the United States.

The four-week seminar will follow the pattern of the Montana Writing Project, which Adler directs at the UM. The project trains teachers from Montana schools in writing techniques and shows them how to share their expertise in writing with each other and with their colleagues throughout the state.
