EXHIBIT ENTITLED 'GRAPHICS FOR COLLECTING'
OPENS MONDAY AT UNIVERSITY OF MONTANA

MISSOULA--

An exhibit entitled "Graphics for Collecting" from the Ferdinand Roten Galleries of Baltimore, Md., will be presented in the University Center Gallery at the University of Montana from Nov. 18-29.

Gregg J. Luginbuhl, UC Gallery coordinator, said the exhibition will provide a good sample of the varied stock one would expect to find in a major print gallery.

"Approximately 75 original prints by well known modern masters will be included, along with some older prints and manuscripts," Luginbuhl said. "The prints will be priced from \$6 to \$100, with many selections included in the lower price ranges."

The UC Gallery is open to the public without charge from 9 a.m.-3 p.m. weekdays and 7-9 p.m. Sunday through Thursday.
