Wet Out, Isn't It? Sprinklers

About every four yards along the campus sidewalks are signs pleading with the pedestrians to stay off the grass. Just try to stay off the grass. Better yet, just try to stay on the sidewalk. It just ain't safe unless you're properly equipped with hip boots and a rain slicker.

It takes a good broken field run-

ner to get from one side of the campus to the other these spring days without getting drenched. It's hard to decide whether they're watering the grass or the sidewalks.

There are a few possible solutions to this problem. Maybe a roof could be built over the sidewalks. Maybe tunnels could be dug underground between the buildings. Or maybe (this is merely a suggestion) the powers that be could be persuaded to move those miserable sprinklers back farther on the grass so that it would once again be safe to use the sidewalks.

Combined Music Groups Will Present "Elijah" May 20

A 300-voice choral and orchestral group will present the "Elijah" oratorio May 20 in what is probably the largest musical production ever given on the campus, according to Norman R. Gulbrandsen, instructor in music.

The combined chorus consists of the a cappella choir, men's glee club, women's glee club, mixed chorus, and Missoula's Mendelssohn male chorus, all of which are individually directed by Mr. Gulbrandsen.

Taking the instrumental parts is the entire university Symphonic orchestra, conducted by Eugene Andrie, who has been training the orchestra all quarter in preparation for the "Elijah." John Lester and Hasmig Gedickian, voice instructors, have been working with vocal soloists.

Because of the wide variety in the choral parts, Mr. Gulbrandsen believes the "Elijah" is probably the most popular oratorio of the day.

"Another reason for its popularity," he said, "is the large number of familiar solos." They include "It

Is Enough," "I Rest in the Lord," "If With all Your Heart," and "Lord God of Abraham." All of these have been recorded by major recording companies and are available to the public.

The original performance of the "Elijah," which lasted two and one half hours, was given in London under the direction of Mendelssohn. It was so well received at this time that the group was obliged to repeat the entire first movement.

Mr. Gulbrandsen has revised and shortened this original oratorio so that it takes considerably less time and still has complete continuity of musical text.

J School Photos To be Displayed

Pictures taken and processed by news photography students will be displayed in J-211 during Interscholastic track meet, Olaf J. Bue, associate professor of journalism, said Monday.

Exhibitors of the 25 photographs will be Dutch Hedine, Missoula, third place winner in the recent University of Missouri photographic contest; Joan Engelking, Kevin; Wallace Davis, Missoula; and Ron Rice, Glacier Park.

Classified as portraits, action, pictorials, industrial, children, spot news, and sports, the photos were all taken this term.

The photographs are a nucleus of the exhibit that will be taken to Billings for the State Press association convention in August, Bue stated.

Decoration Prizes To be Cited at SOS

Prizes for the best trackmeet decorations by sororities, fraternities, and dorms will be awarded at an SOS Thursday night at 7:30, Traditions Board Chairman Chippo Golder, Missoula, said yesterday.

The deadline for setting up the decorations is 5 o'clock Wednesday afternoon, Golder said.

Andries to Give Recital Tonight

Eugene and Lorraine Andrie will appear tonight in a violin-piano sonata recital at 7:15 in Main hall auditorium.

The three-part program consists of Bach's "Sonata in G Minor," Mozart's "Sonata in B flat Major," and Paul Hindemith's "Sonata in E Major."

Mrs. Andrie will be at the piano, while Mr. Andrie plays the violin parts. Mr. Andrie is an instructor in the School of Music and conductor of the University Symphony orchestra.

Spurs Sell Interscholastic Meet Tickets

Student tickets for the Interscholastic meet Thursday, Friday, and Saturday, are being sold by Spurs at a booth in front of the Student Union and in sorority and fraternity houses and dorms, according to Sales Chairman Dave Freeman, Missoula.

Activity cards must be presented, and veterans' wives, faculty members, and their wives are also entitled to buy student tickets. The tickets, priced at \$1.20, will admit holders to all Interscholastic events during the three-day period.

Track meet activities start Wednesday night with a Spur-sponsored Jitney dance from 9 to 11 in the seven sorority houses on the campus. The dance is open to all university students as well as visiting high school students, Spur President Jane Cheadle, Helena, announced.

HS Papers Vie For MIEA News Awards

More than 68 high school newspapers have been entered in the Montana Interscholastic Editorial association contest, another feature of Interscholastic week.

Although the newspapers have been judged, the results will not be announced until Friday, May 16, at which time the winners in the respective classes will be awarded certificates.

Each paper is placed in one of five classes:

Class A—printed papers from schools with more than 500 students.

Class B—printed papers from schools with 250-500 students.

Class C—printed papers from schools with 250 or less.

Class D—duplicated papers, schools with more than 150 students.

Class E—duplicated papers, schools less than 150 students.

Before entering their papers, advisers or editors must submit entry blanks describing the enrollment, size of staff, name of newspaper, and whether it is a curricular or extra-curricular publication.

Prof. Robert Struckman, chairman of the editorial association, did say that nine papers have made all-state ratings, 18 won superior ratings, 30 won good ratings, and 10 were judged as fair.

LIBRARY OPEN 9 TO 12

During the Interscholastic track-meet Thursday and Friday, the library will be open between the hours of 9 and 12 a.m. only.

Business Men Here to Interview Job Seekers

Representatives of a national credit company and a building material and supplies company will interview students interested in positions with their companies in Craig 105 this week.

Mrs. Dean Pachico, secretary of non-teacher placement, said a representative of the Butte office of the credit company will be on the campus today. He is interested in finding a man, preferably a Montana resident, to cover the Billings area for his company.

Mr. G. F. Mick, assistant manager of a building material and supplies company in Great Falls, will interview applicants on Wednesday.

Appointments to see these men can be made in Craig 105, said Mrs. Pachico.

Clover Bowl Is Soon To Go

Clover bowl will be plowed under, probably early next spring, to provide a place for the new Business Administration building. More amateur sports have received enjoyment from that field than the public generally knows. The well-grassed site in the fall is the scene of the intramural touch football games and in the spring becomes the home of some mighty fast and furious softball games.

As far back as 1937 intramural addicts have run their noses into the sod of Clover bowl. Before that time it was a virtual rock garden. Injuries were many and varied.

One of the two present softball sites will be available for use until construction begins on the field north of the Student Union. It looks as though intramural will be looking for a home next spring but is destined for the present football practice field when the fieldhouse gets built.—Bob Petty.

Sigs Dedicate War Memorial

Over 400 persons gathered at the Sigma Chi house Sunday to dedicate a memorial to the 24 members of Beta Delta chapter who lost their lives in World War II.

Dr. F. C. Scheuch, president emeritus of Montana State University and past international head of the fraternity, and Dr. E. C. Holland, president emeritus of Washington State college, spoke to the large assembly of Gold Star mothers, relatives, and friends before the back lawn fireplace built in honor of the men.

The unique war memorial was conceived about a year ago. Large photographs of the men were framed and mounted in the library, along with brief accounts of their service and fraternity record, and illuminated by fluorescent lights. The Mother's club donated a set of Encyclopedia Britannica, with the name of one of the 24 men on each volume. Clarence Streit, author of "Union Now" and a member of Beta Delta chapter, donated a memorial shelf of books. A plaque with the names of the war dead was mounted on the fireplace.

The number of men lost by Beta Delta exceeded any of the other 103 chapters of Sigma Chi, and possibly any other fraternity chapter, said "Prof" Schuech. "I hope,"

University Cars Chalk Up 11,710 Miles in 45 Days

BY DUTCH HEDINE

Almost half way around the world, 11,710 miles by highway in 45 days, on 31 different trips, is the record of the two university sedans between Feb. 16 and March 31, according to records of the maintenance department.

The cars, purchased to furnish transportation for officials and faculty members of the University while traveling, are on the go most of the time, serving the needs of the Division of Public services, administrative members of the fac-

ulty, and public service features of the schools and departments of the University.

Debate Coach Ralph McGinnis made the longest trip of this period when he took the debate team to meet the Linfield college team at McMinnville, Ore.

The second longest trip was that of Dean John Crowder during the Seattle trip of the a capella choir.

Professor McGinnis traveled 1,505 miles and Dean Crowder 1,209.

Public service features accounted for 25 of the 31 trips and for 55 per cent of the mileage during this period.

The older of the two cars was purchased in July 1942 and has been driven almost a hundred thousand miles. The speedometer read 96,702 last Sunday morning while that of the newer car, first used Feb. 10, 1946, showed 40,269 miles.

"A purchase order, calling for a trade-in of the 1942 model on a new six-cylinder Ford tudor sedan, has been signed and is now at the dealer's hands awaiting availability," T. G. Swearingen, university engineer, said.

Robert M. Jones, salesman for the H. O. Bell company, said yesterday that delivery of the sedan will be made sometime this month.

members were honored at a tea Sunday afternoon.

Norma Lee Gillies, Butte, is a new pledge.

Sigma Nu

The spring dinner dance was given Saturday night in the Governor's room of the Florence hotel. Chaperones were Dr. and Mrs. D. M. Hetler, Dr. and Mrs. J. M. Stewart, and Dr. and Mrs. J. A. Wolfard.

Phi Delta Thetas were guests at an exchange dinner Thursday night.

Kappa Alpha Theta

Approximately 50 guests attended the Mother's day tea Sunday afternoon.

Harriet Welsh Gray, Billings, and Beverly Burke Angstman, Billings, visited during the week end.

Betty Kennett, Lewistown, was a dinner guest Tuesday night.

Phi Sigma Kappa were guests at an exchange dinner Wednesday night.

Yovetich Sets Record In Pacing Grizzly Win Over ISC and Gonzaga

BY BILL COONEY

Montana's track squad trounced Idaho State and Gonzaga in the triangular meet Saturday as they took 12 first places. The Grizzlies amassed 97 points, Idaho State 19, and Gonzaga 15 in the lopsided meet. Dan Yovetich continued to clip time off his low hurdle record as he breezed over them in a speedy 24 seconds to establish a new record.

The Grizzlies made a clean sweep in the shot put, discus and 440-yard dash, and gathered firsts and seconds in the javelin, 100-yard dash, 120-yard high hurdles, broad jump, 220-yard low hurdles, and pole vault. The relay team tasted its first victory of the season by beating Gonzaga by a large margin.

Yovetich was again the high scorer of the meet, scoring 15 points in the three events that he entered. Gonzaga grabbed their only first place of the meet in the 220-yard dash.

Dick Regan, Grizzly two-miler, registered his best time of the season, when he finished the long race in 10:08.8. Regan's opponent, Rojas of Idaho State, had established a new record at BYU last week, but the Grizzly trackster finished better than a hundred yards ahead of him.

Jim Mayes was another stand-out of the meet. Mayes winning broad jump, 22'6", is the best this season. Bill Brandt also improved in his half-mile attempt, completing in 2:04.3, and Dick Doyle hurled the discus 146'1 3/4", which was his best throw, and probably one of the best on the Pacific coast. Gene Shockley scored nine points by taking three seconds.

Grizzlies Lose Three To Whitman

Grizzly baseballers fell out of step with the winning tennis and track teams over the week end. Coach Chinske's charges lost three of four to the Whitman college Missionaries at Walla Walla, Wash. Montana's lone win came in the nightcap of Friday's twin bill. It was a well earned 5-to-1 victory for Ted Tabaracci, who limited the Whitman sluggers to three scattered hits. Whitman took the series opener, 9 to 8, by virtue of a tenth-inning walk with the bases jammed. It was a long and loosely played game in which the lead changed hands seven times. Each team made 11 hits and committed 8 errors afield. Saturday afternoon it was all Whitman. The Missionaries had little trouble sweeping both ends of the doubleheader, 7 to 2 and 5 to 2. Jack O'Loughlin, Bill Campbell, and Roy Malcolm were the pitching victims of Whitman's slugging attack.

Jumbo Hall SAE Win Swim Meets

Grizzly Netman Down Whitman Extend Winning Streak to Ten

BY GEORGE REMINGTON

Competition was tough, but Montana's Grizzly tennis aces stretched their winning streak to 10 with a 5-2 victory over Whitman college here Saturday.

The Whitman team was strong as Coach Jules Karlin predicted, and the match could have gone either way until the No. 1 doubles was over. Five out of the seven matches in the meet went into three sets.

Grizzly Captain Beverly Garrett, playing the last home match of his college career, won the only really decisive victory of the day when he downed Duane Clayton, Whitman's No. 1 man, 6-3, 6-0.

In most cases the Whitman men seemed to be slow starters, not

coming to life until their second sets. In the No. 2 singles Montana's Wayne Cummings took an easy 6-1 victory over Warren Calvin in the first set, but was forced into a strenuous marathon before winning the second set, 11-9. Sam Annas breezed through his first set with a 6-0 win over Paul White but dropped the other two by margins of 6-1 and 6-3 to the Whitman No. 4 ace. Both doubles matches were forced into three sets as Whitman copped the second sets of each after losing the first sets. Montana's other loss came when Otto Ost was downed by Bill Nightengale in another grueling three-set match. Gene Annas lost his first set to Roger Lind, 6-3, but staged a (please see page four)
