Mar. 28/Apr. 11	Required APPE activities review Blood borne pathogens quiz due*
Apr. 4	Spring Break
Apr.18/25	NAPLEX review – Lori Morin
May 2/May 9	Final APPE orientation

Attendance is required at class meetings; you may trade times with another student if you need to attend the earlier or later session. However, the number of students in each session must remain equal. Absence from a session will require attending a make-up session with the instructor.

Grading (Credit/NoCredit) will be based on attendance, completion of all activities within the course, and passing quizzes for the * topics with a 70% or better grade. Activities include creation of a curriculum vitae (CV) and cover letter, creation of APPE goals, and documentation of student requirements for the APPE year. A no credit grade (or an incomplete) will prevent the student from beginning the APPE year in May. Completion of activities will be tracked in Moodle, where previous IPPE activities as well as ongoing course activities and student requirements can be found.
