KARYNA MCGLYNN

June's hide taken off distant hedges

and thus she didn't really divorce
june but had an animal embalmed
not the least of which her short
lopped hair or for some this wire
bit her neck & a goat lowered so
that's someone preserved under
a bottleneck crag in the peat moss
down into dusk dulls me in this
your wilting green or her sunless
wrist limp can't blow it back plum
up a buckskin glove disperse this hot
shallow a black ant crawls up her
grey skin this thing leaned on a post
drove a spike into the down bed ok
I couldn't say a damn thing about it
