SPRING ENROLLMENT IS UP AT THE UNIVERSITY

MISSOULA--University of Montana spring quarter enrollment rose 4.3 percent over registration figures a year ago, to reach 5,317.

According to Leo Smith UM registrar, late registrations are still being processed. He said the figure does not count 78 early registrations, who had to be dropped because of low grades.

The spring quarter gain of 219 students is down slightly from the 4.5 percent increase from 1966 to 1967 winter quarter.

Smith said 3,541 men and 1,780 women were registered at the Missoula unit.
