CHEM SCHOLARSHIPS HELP SUCCESSFUL UM STUDENTS

The University of Montana will have more chemistry scholarships to award to outstanding high school chemistry seniors this year because of the successful scholastic achievement of last year's four winners.

Dr. James Cox, UM assistant professor of chemistry and education, said the Hoerner-Waldorf Co. and the Westmont Tractor Co., both of Missoula, supported a total of four \$350 scholarships covering tuition and fees for the scholars last year.

The two Hoerner-Waldorf scholarships went to Doris L. Blair of Ekalaka and Ronald V. Loge of St. Regis. Westmont Tractor scholarships were awarded to Daniel J. Yates of Missoula and Devlin D. Hill of Columbia Falls.

Doris Blair was an outstanding scholar at Carter County High School and was a member of the National Honor Society and straight A honor roll. She participated in band, pep club and was an alternate to Girl's State. She is the daughter of Mr. and Mrs. George D. Blair of Ekalaka.

Ronald Loge transferred to St. Regis High School from Hannaford High in North Dakota. He was on the honor roll all four years in high school. Loge was an all-around athlete for St. Regis, and was in the band and on the annual staff. He is the son of Mr. and Mrs. Maynard Loge of St. Regis.

Daniel J. Yates is a graduate of Hellgate High in Missoula. He was a member of the high honor roll at the Missoula School. Yates also was a member of the Key Club. He is the son of Mr. and Mrs. Leland Yates of Missoula.

Devlin Hill is a graduate of Columbia Falls High School. He was an honor student in science and an outstanding all-around athlete for the Wildcats. He is the son of

Mr. and Mrs. Chester B. Hill of Columbia Falls.

All four students are freshmen at the University and are majoring in chemistry.

Dr. Cox said the scholarships cover a four-year period depending on continued good grades with the student receiving \$350 per year. He also said anyone interested in applying for the six additional chemistry scholarships may write to him at the University in Missoula.
