IS ANOTHER APPEAR

In a glass room in the tree ferns. Sleeping,
a frond stretches its legs. Lady and salvaged
furniture. I want to take so much. Air
fern is an animal dyed green. Amanita,
freckled skin hidden in the mossery, veiled
truffles on a communion tray. The lake
is in the sky and belowground, some bodies
once loved on their featherbeds. Rheumy-eyed,
dolorous, typical. In caverns of misplaced sentiment
they linger but she is already big as a starling
in the fallible night, in a head made of windows.
