DEDICATION

Interior of lung interior of song: I could make you
a key worth having: having broken its teeth: it became
a kinder metal: a locksmith's study: you must enter:
and stay how I still: how I still study your face: a key
I mistook for silver thrown into a fountain as if making
a miss: consider this: low breaths: combing the lungs
clean: call that enough: my hair roughened: a sorry
soot: I could tunnel in: you a crater: it has purpose
