DEDICATION

It is difficult to be apart: part ice part heart: I molt in
 stars gathered mid-day in order to see: a false horizon:
 I keep it close: returning my Iowa storm: a week of it
 I am weak for it: the grass along my knees bending
 how I: *bend toward me*: sad July don't you see: folding
 a sweater means every old thing: I slip through: moth
 right through the frost: pardon me at least this undying
