MAPS WITH SCRIBBLED LINES (XI)

Feathers caught in a long
wind. Feathers beached
in high grass.

The moon made of feathers, the stars
made of feathers. The sun
 & the clouds
 & everything worth seeing.

Feathers for drawing
shapes on our skin.

We loved the never knowing.
The inevitable sunrise.

We loved the sky, but the sky
 never learned our names.

We wanted it to give us new ones.
