Student Critically Wounded In Apartment Shooting

Donald F. Sternhagen, Glasgow, a sophomore in the music school here, is in critical condition at St. Patrick's hospital following a Sunday evening shooting in a downtown apartment. The shooting left one person dead and two being treated for gunshot wounds in a local hospital.

The dead man is Howard B. Carpenter, 29, Butte radio announcer. County Attorney Wesley Castles says Carpenter took his own life after shooting Sternhagen and Joan C. Hovde, 25; both residents of the Watson apartments.

A .32 caliber bullet hit Sternhagen in the base of the throat and went through his neck, cut his spinal cord, paralyzing him. Miss

Hovde, a local radio station employee, is in satisfactory condition, according to her doctor's report yesterday.

Carpenter, a former associate of Miss Hovde at radio station KGVO and a close friend, had gone to her apartment and waited for her to come home. He had been drinking, according to Castle's report. Soon after the girl came in, about 11 p.m., Carpenter pulled a revolver and shot her. Hearing the screams and the gunshots, Sternhagen, who occupies an apartment on the same corridor, rushed in to give aid and was shot by Carpenter.

After the shooting, Carpenter went into the hall and put a bullet through his head.

All the victims were rushed to St. Patrick's hospital. Carpenter died about 1:30 a.m., apparently without regaining consciousness.

Students Enjoy Week-End Outing

Twenty-two Wesley Foundation members convened Friday through Sunday at Rollins.

The MSU students took advantage of the natural resources of the Flathead lake-side environment to engage in boating, hiking, and, in the evenings at their rustic cabin, square dancing and bull sessions.

Dr. Clifford of Kalispell led the group in discussions centering around the relationship of Communism to today's student.

Mr. and Mrs. Milton Agte of Missoula chaperoned the group.

Twenty-Three Plays Slated For Festival

Twenty-three plays will be presented by Montana high school thespians in the Little Theater festival of the forty-fifth annual Interscholastic track meet here Friday and Saturday.

The plays range from "Cheaper By the Dozen," entered by Hamilton high school, to "Harvey," to be presented by Ronan high school. All of the plays entered are of one act or cuttings from longer plays. Prof. LeRoy Hinze, drama festival chairman, said yesterday.

University students and faculty members can see all of the plays by buying a general Interscholastic ticket which entitles them to attend every drama, oratory, declamation, and track event scheduled for the two-day all-state festival, Professor Hinze said.

Tickets went on sale in every living group on the campus last week. Downtown advance sales have passed the \$1,500 mark in an intensive campaign by 22 members of the Missoula chamber of commerce, Ted Delaney, chairman, said yesterday.

Admission Reduced

Admission to Interscholastic events this year has been reduced to \$1.50 for students, and \$2.50 for adults in an effort to get more of the student body and faculty to attend the event.

Persons planning to attend any of the Interscholastic activities should obtain their tickets as soon as possible, campus sales co-chairmen, Annemarie Beatty, Helena, and Bryce Breitenstein, Plains, urged.

MSU Drillers Outscore MSC

MSU added another Bobcat scalp to its belt Saturday morning, as the crack platoon of the University's Pershing Rifles unit defeated a similar team from Montana State college.

The Grizzly team, trained for the competition by First Sgt. John Snodgrass, received 79 points to MSC's 66. Each team was credited with 100 points before competition began, then as the respective teams committed errors in the course of their performances, an appropriate number of points was deducted from the original 100.

Although the MSU team outperformed the Bozeman cadets, Col. E. D. Porter, MSU professor of military science and tactics, said "both teams performed exceptionally well."

Saturday morning's competition was the first of its kind to be conducted between the two Montana schools; however, Colonel Porter and other members of the MSU military staff said that plans were being made to put the drill contests on an annual basis. Tentative plans also include drill competitions between the Grizzly unit and other northwest ROTC organizations.

The MSU platoon, led by Cadet Lieut. Bill Brest, Missoula, was clad in green officers' uniforms, supplemented by white gloves and scarves. The Bobcat team wore white helmet liners, puttees, and web belts, in addition to their officers' uniforms.

The competition consisted of basic foot and marching movements and the manual of arms. Both teams put on a special precision drill after the contest.

During the drill competition, Col. Brice C. W. Custer, commander of the Montana military district at Fort Missoula, suffered a sudden attack and was taken to the University health service. He is reported by physicians to be recovering satisfactorily.

Atlantic City-bound next September will be Pat McGinty, Great Falls, who was crowned Miss Montana of 1951 at the Coronation ball Saturday night.

Miss McGinty, a senior in the music school, sang her way to the gem-studded crown and a chance at the Miss America title at the contest in Atlantic City, N. J.

She has sung with the chorus of the Denver Opera company and studied under Horace Lee Davis of Denver. Miss McGinty, a Delta Delta Delta, is a member of Jubileers and the A Cappella choir.

The runners-up for the famed title were Jamie Brennan, Missoula; Jeanne Couture, Arlee; Betty Rumph, Broadus; Joyce Siperly, Great Falls; and Margaret Tange, Outlook.

Miss Montana and the other five finalists will all receive \$75 scholarships donated by Montana business concerns. Those donating scholarships were the Missoula city Pan-Hellenic council; R. B. Fraser, Inc., Billings; Socony-Vacuum Oil company, Inc.; J. Neils Lum-

ber company, Libby; and Montana Hudson company, Great Falls.

Miss Siperly was chosen by the contestants in the pageant as "Miss Congeniality." This award was based on friendliness and personality. She will receive a gold cup.

Miss Montana selection judges were Dean Chaffin, Cyril Conrad, and Shubert Dyche, Bozeman; Ronald Cook and Dorothy Green, Helena; Miss Sylvan Pauly, Deer Lodge; Mrs. John W. Slifer, Kalispell; and Mrs. Theodore Jacobs, Russell Smith, Alex Stepanzoff, and Marrian Walterskirchen, all of Missoula.

Selection of Miss Montana was made in four categories: talent, personality, appearance in a bathing suit, and appearance in an evening dress. The contestants appeared before the judges at a luncheon Friday afternoon and the pageant Friday night.

EDITORIAL—

Our Inconvenient Telephones . . .

Telephones are one of the fastest, most direct means of communication. Their primary purpose is as a convenience to save time and steps. The University's equipment is modern enough, but its system is as obsolete as Bell's first experimental model.

From a standpoint of those persons off campus calling into one of the residence halls our telephones are hardly a convenience. The switchboard operators often only ring once; no one answers; and the caller is left waiting. An automatic ringing system would eliminate the waiting and the need for calling a second time. To get into the university switchboard a second time is not always easy, to say nothing of the expense involved in pumping nickels into a pay phone. The switchboard crew have also been known to sidetrack a call completely.

Many complaints have been aired about the "no phone call" quiet hours between 7:30 and 9:30, and rightly so. Since when is a telephone ring more distracting than a radio, a 25-cent novel, or a gab fest in the next room? When the switchboard refuses to put through anything less than a life and death emergency call, the telephone ceases to be a convenience.

More delays and inconveniences occur when escorts call for their dates at the residence halls. If it happens to be a particularly large function and 10 or 15 arrive at the same time, they must wait in line while the dean or proctor calls each girl to inform her of the escort's arrival. A buzzer system would simplify things considerably and save time and confusion.

Under the present system, the university switchboard does the best it can, but there would be less confusion and more efficiency if the system were revamped.

As U. S. Senator Thomas R. Marshall once remarked, "What this country really needs is a good five cent cigar," so, too, what this campus needs is a good nickel phone call.—D.S.

Scholarships Given Promising Seniors

Four western Montana high school seniors interested in the teaching profession were awarded scholarships last night here. They were Alene Meadow, Thompson Falls; Howard Cornish, Hamilton; Joanne Brooks, St. Ignatius, and Jaime Bailey, Stevensville.

After a day of intensive tests yesterday, the students who competed for the scholarships attended a dinner at St. Paul's Lutheran church.

Linus J. Carleton, head of the School of Education, presented the scholarships. Other members of the faculty handled the tests and interviews.

The tests were designed to evaluate the students' qualifications and interests in the field of teaching.

Sentinel Being Made Up Now

The Sentinel is running on schedule, and plans are being made for distribution the week of registration in September, announced Bob Lindborg, Missoula.

However, he said three clubs that have contracted for space have not had their pictures taken. They are Gamma Delta, the Ski club, and the Royaleers. These three groups are to contact the Sentinel office this week.

If any student knows of a potential advertiser for the yearbook, he should contact Marvin McArthur in the Sentinel office, Lindborg added.

MSU-Utah Dual Meet Today

BY RAY SORUM

Coach Harry Adams and his traveling trackmen will meet a slightly favored University of Utah squad this afternoon at Salt Lake in the last dual meet of the season for both schools.

The Grizzlies and the Redskins are undefeated, both having dropped Brigham Young university and Utah State Agricultural College by wide margins. In its two home meets, MSU left BYU by the wayside, 93 to 38, and USAC 2 to 39. The Redskins beat BYU, 46 to 45, and USAC, 96 to 35. The Bears should chew the Indians in the weight events—the javelin, discus, and shot—and maybe trade a leg for a scalp in the field with the high jump going to the Redskins. Honors for the pole vault and broad jump are held in the collective lap of the gods, although Grizzly polemen and jumpers have shown considerable improvement during the season and are about statistically equal to the Utes.

Utah Netmen Beat MSU

Undaunted by their 5-to-4 loss here in April, the Utah Aggies awaited their way to a 6-to-3 net victory Friday in Logan, as they defeated the Grizzlies in their fifth conference match.

The Densmore brothers, Park and Pete, were the only members of the MSU sextet to capture their singles matches. Pete knocked over his opponent, Ralph Downs, in a close, three-set match. The score: 5, 4-6, 6-2. Park defeated Duane Christensen in another long match, 7, 6-2, 6-2.

The other Grizzly point came as a result of the Bob Kramer-Bob Nogler doubles win. Nogler and Kramer downed Lee Hales and Bruce Clyde, 6-2, 10-8.

Loss in Singles Hurts

Nogler succumbed to Wally Steinhilber's fancy style in the 10.1 singles match, 8-6, 3-6, 6-4. In the second court, Hales defeated Kramer, 6-3, 9-7. Ted Crawford lost his singles match to Batman, 6-1, 6-2, and Bill Black, playing the sixth position, dropped his match to Brewer, 6-3, 11-9, 6-0. The Steinhilber-Downs duo proved too much for Pete Densmore and Crawford in the second doubles contest. The Aggies took the match after losing the first set, 11, 6-2, 6-3. Park Densmore and Black finished the series by going down before Batman and Ross Mason, 6-3, 6-3.

Utah's Golf Team Wins

Utah State golfers won their first western division Skyline match at the expense of the Grizzlies, 12 to 6 at Logan, Utah, Friday. The loss was the Grizzlies' fourth straight and gave them a two won-four lost conference record.

Dick Hubbard captured laurels for the Grizzlies, however, by shooting a 76 for medalist honors. Hubbard played steady golf over the tricky Logan country club course, with his long drives giving him an added edge. His teammates, Les Towle, Bob Williams, and Lee Williams, found the large greens deceiving, and experienced difficulty in putting as they missed many short puts.

Montana's only points were garnered by Hubbard and Towle, who took three team points from the Utah pair of Bob Murray and Frank Reed. Hubbard gave the Grizzlies their other three points with a 3-to-0 victory over Murray, his Aggie opponent, who came in with an 81. Towle, with an 81, dropped his match to Reed, the Aggie medalist with a 77.

Bob and Lee Williams, who shot 82 and 83 respectively, lost both their individual and team matches to Aggies Bill Hilton, 78, and Bill Knowles, 79.

NOTICE, INTRAMURAL SOFTBALL MANAGERS

All intramural softball managers are to check the intramural bulletin board in the Men's gym for today's schedule, according to Dave Cole, intramural director. This is necessary because of conflicts in the schedule that was drawn up last Thursday.

Likewise, in the running events, the statistics do not give clean-cut odds to either team except in the mile, which, according to the bookies, is a sure thing for the Silvertips. Grizzly-Redskin time in the high hurdles is the same, but the Indians run the lows in about one second less than the Bears.

Squadmen making the trip with Coach Adams are team captain Bill McChesney, Joe Luckman, Joe Brennan, Bill Martineson, Bob Graves, Bill McMaster, Ray Gray, Leon Conner, Mike Fleming, Bill Rife, Dick Urquhart, John Badgley, Jack Coppedge, Don Crosser, George Tarrant, Bill Reynolds, Jack Luckman, Bob Ripke, Hal Maus, Paul Wold, Jack Rothwell, and John Bryant.

Due to a hip injury, pole vaulter and hurdler Dick Anderson was not able to make the trip.

The team left Missoula Sunday in cars and will remain in Utah after the dual meet for the Western division meet at Logan Saturday. Montana and the three Utah schools will participate in the division meet.

Next week, the Silvertips will hit the road again when they make a return trip to Salt Lake for the all-conference meet there May 25 and 26.

Track Prelims Show SAE Hot

One hundred four entrants representing nine participating organizations qualified in the preliminary intramural track meet Saturday morning. Final runoffs in the 13 individual events and 880-yard relay are scheduled for May 26.

Sigma Alpha Epsilon led in the number qualifying, with 26 men. The Phi Deltas and Theta Chi each had 18 qualify; Sigma Nu had 16; Sigma Chi 15; Alpha Tau Omega 4; Delta Sigma Phi 2; Newman club 2; Sigma Phi Epsilon 2; and Row houses 1.

Dick MacDonald, St. Ignatius, representing Sigma Nu, was high point man in the preliminary meet as he ran off with four wins: the 100-yard dash, the 22, 880, and the mile.

All men participating, irrespective of their affiliation, were assigned to either section A or B by chance drawing. Those qualifying in each section will enter the final meet in one field. Winners in the finals will get five points for their organization; second will earn four points; third, three points; and fourth and fifth, two and one.

SAE's Pound Out 15-5 Win Over TX

Sigma Alpha Epsilon continued its winning ways last Friday with a 15-to-5 victory over the game but unsteady Theta Chi squad.

The game ended after five innings of play in accordance with intramural rules. The victory was the fifth for the SAE's against one loss, which puts them in a tie for first with Sigma Nu. The Theta Chi now have a three won-three lost record.

The geographic center of the United States is in Smith county, Kan.

Grizzlies Shake Slump With Utah Victory

After losing four straight, the Montana Grizzlies got back into the win column Friday at Provo, winning the first game of a twin bill, 9 to 7.

Gene Carlson, Grizzly pitcher, turned in a fine mound performance until the ninth inning, when he needed relief from Dick Hansen. Hansen snuffed out the rally by fanning the last two batters.

In the ninth, the Grizzlies were ahead, 9 to 3. The Aggies scored four runs off Carlson, while he could only get one man out. There were two men on when Hansen came in and cut the Utah rally short.

In the first game, acting Coach "Jiggs" Dahlberg switched his batting order and lineup, using Don Bross at first base and Jim Martin in left field.

The Farmer squad out-hit the Grizzlies, 14 to 13, but good fielding enabled the Bears to gain the victory.

Montana collected three extra base blows, a double by Steve Hucko, a triple by Carlson, and a home run by clean-up batter "Lefty" Byrne.

A decisive factor was Montana's ability to steal bases. They stole seven bases in the nine inning tilt.

Second Game

Utah State's Jim Eardley did it again to the Grizzlies by downing the Montana team, 8 to 1. In the second game Friday, Eardley pitched his second two-hitter against the Silvertips. April 21, at Campbell field, he limited the Grizzlies to Hal Sherbeck's two hits. Friday night he stopped all of the Grizzlies except "Lefty" Byrne, who got a double and a single.

In the sixth Byrne rapped a double to drive in Montana's lone run.

The Aggies hit everything that Dick Hansen tossed up, and he was relieved by Clare Johnston in the sixth.

I-M TENNIS ENTRIES DUE IN BY NOON TODAY

Entry blanks for participation in intramural tennis are to be turned in to Dave Cole's office by noon today, he stated. Competition begins tomorrow.

The monetary unit of Liechtenstein is the franc.

Whites Down Red Team On Mud-Scarred Gridiron

The two-platoon Whites emerged soaked but victorious, from the intersquad football battle Friday night after four quarters of legalized mayhem. The final score was 9 to 7, although the Reds scored a third-quarter touchdown which was nullified by a holding penalty.

The Whites were first to enter the scoring column, but the Reds retaliated soon after with a series of passes and running plays that eluded the defensive Whites. Don Gerlinger, kicking points-after-touchdowns for both teams, was forced to run with the ball after the White score, because of a bad center pass, but was stopped at the line of scrimmage.

The Reds started their sloshing march down the soaked field immediately after the Whites kicked off, and scored after a series of runs and passes. Gerlinger split the uprights for the extra point.

Gerlinger's Goal Wins

The only other score, also in the second period, came after a 15-yard Red penalty. Gerlinger booted a placement 32 yards for the field goal.

After the game, Head Coach Ted Shipkey said that no player had a place cinched on the 1951 Grizzly squad.

Both teams played with enthusiasms bordering on savagery. No serious injuries were reported, but

several Grizzlies were bound for trainer Naseby Rhinehart's whirlpool treatment after the tussel, with minor strains and sprains.

Outstanding on offensive and defensive play were Bobby Yurko, Red halfback who posed a constant threat to the Whites, Fred Mirchoff, Red fullback whose shiftiness and hard running made him a standout despite the slippery turf, and Don Talcott, the youngest of the footballing Talcotts of Great Falls. Talcott will make a strong bid for an end berth on next year's eleven.

Dick Heath's passing kept White aerial defenders constantly on their toes and Red quarterback George Vucurovich skipped his squad effectively throughout the game.

Linemen Bob Antonick, Gordon Jones, Don Orlich, Jim Burke, and Bob Stewart all showed up well and will contribute much toward a solid Grizzly line during the '51 season.

Campus Interviews on Cigarette Tests

Number 20...THE BALTIMORE ORIOLE

Clean-up man on the baseball nine, this slugger

doesn't like to reach for 'em... wants it right over the plate.

And that's the way he likes his proof of cigarette mildness! No razzle-dazzle "quick-puff" tests for him. No one-whiff, one-puff experiments.

There's one test, he's discovered, that's right down the alley!

It's the test that proves what cigarette mildness really means. THE SENSIBLE TEST... the 30-Day Camel Mildness Test, which simply asks you to try Camels as a steady smoke—on a pack-after-pack, day-after-day basis.

After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why...

More People Smoke Camels than any other cigarette!
