GRIZZLY GRID PRESS DAY
IS AFTERNOON OF AUG.31

MISSOULA --

Interested press, radio and television personnel will get an opportunity to photograph and interview University of Montana football coaches and players the afternoon of Aug. 31 during the 1967 Grizzly Football Press Day.

Jack Swarthout, head coach and athletic director, released information on the day's scheduled activities Monday.

Nearly 60 varsity grid prospects will take physical examinations and draw equipment beginning at 10:30 a.m. Aug. 31. Players and coaches will be available for pictures and interviews beginning at 2:30 p.m. and until 6 p.m.

Immediately following, there will be a picnic with food and refreshments, with the exact time and place to be announced at a later date.

"Any press, radio or television people who are able to attend will certainly be welcome," Swarthout said. "I hope these people will make every effort to attend."

Persons planning to take part in the day's activities should contact Bill Schwanke, UM sports information director, through the University's Information Services as soon as possible.
