LIST

I dream and dream of loves.
A clip, a seep; ladder of inkfalls.
Direct address in the color which
 shall not be named.

See these proteins, dissociating
from the prisoner organism,
disengaging their tendrillicious
 limbs.

A time bomb in the sense of
 cumulative incendiaries.
The pestering territory, frontier.
Vision above the gap.

To lose the antagonism of worth.
A crumbling sill, its dust, each
embryo encircling like a mother.

Transmutation of mist, the
secular smell of commerce.
Encrustation, the elusion of blue.

Rugged subjugate and
sublimation; tortoise,
aphid, centurion.

The wing of the male mosquito.
(Glory) in extremis.
