Kainan Starts Series of Articles On Job Openings

The first of a series of weekly articles dealing with the supply and demand of graduates and job opportunities will appear in tomorrow's issue of the Kainan. "The prediction of occupational outlook is a matter of major concern to everyone, the relation of the present and probable supply of workers to the present and probable demand for their services is the decision the student who is planning his professional education," said Paul Chumrau, placement bureau director.

Newman Club Plans Dinner

The traditional fall dimmer and diet with excavation members will be at the Knights of Nile hall, 312 E. Pine, at 6 p.m. Sunday. Those who plan to attend should notify their living group's representative.

The basic Catholicism group will begin a discussion of Thomas More's latest book, "The Ascent to Truth," at 4 p.m., in the Bitterroot room. "The paradox of contemplation," Merton says, "is that God is never known, unless he is also loved. Because he is without love, modus in imago is incapable of seeing the only truth that matters."

Vocal Star . . .

The MSU chapter of Sinfonia, national honorary music fraternity for men, will present a convocation at 9:40 Friday morning in the Student Union auditorium. Mrs. Lucas is a senior in the music school.

Report Shows Less Workers In Montana

Montana appears to be losing workers to defense areas on the west coast, according to the Labor and Employment Statistics Bulletin of the Montana Department of Labor and Employment. However, the report also states that there is a decrease in the value of building permits issued in major Montana cities.

Gayle Davidson Lucas will star as vocal soloist at the fall concert of the University Symphony Orchestra this Sunday at 8:15 p.m. in the Student Union auditorium. Mrs. Lucas' tenor is a senior in the music school.

Kaiman Starts Series of Articles On Job Openings

Central board dipped into the general reserve fund last night and brought out $445 to apply on the Debate and Oratory board's $660 debt. The grant, recommended by the Budget and Finance committee, wiped out the remainder of a debt that was incurred in the Spring. The debate squad received its first invitation to meet West Point.

Vocal solo will be presented by Fred Nelson, Missoula; Doug Kusroe (Spud) DeJamette, Missoula, and Jim Cole, Livingston, Miss Fra.
Pan-hel's Brave Move

Panhellenic made a brave move last week. They said "No." This organization, like others on campus, usually doesn’t have the sense to say "top things when they’ve had enough. They gripe about all the work they have to do, but when someone decides that the sororities shall do such-and-such, they climb on the bandwagon with a foot dragging behind.

Panhellenic has been called upon to provide the Hi-Jinx variety show, Homecoming floats, New member songfest entries, track meet decorations, conviction of4 the international armies. It would mean that each nation would have to give up final powers to give orders to its own fighting men, and the ministers begged down when they tried to decide how much authority each nation would have to give up to and to whom. They also couldn’t come to any conclusion whether they could supply the 30 or 40 divisions sought by General Eisenhower by next year.

World News Roundup...

BY UNITED PRESS

The foreign ministers of the North Atlantic treaty powers have finally announced a conference in Rome—with the announcement that they did not produce much in the way of concrete agreements. More positive results are expected at their next meeting which will be in Lisbon, Portugal, on February 4.

The biggest stumbling block seems to be how to create an authority with enough powers to give orders to the international armies. It would mean that each nation would have to give up final powers to give orders to its own fighting men, and the ministers begged down when they tried to decide how much authority each nation would have to give up to and to whom. They also couldn’t come to any conclusion whether they could supply the 30 or 40 divisions sought by General Eisenhower by next year.

Missouri badman Billy Cook faces the California death chamber, Cook, who left a bloody trail across the midwest, ended his gun-man career in January with the shooting of his sixth victim on the lonely California desert. Federal authorities brought him before a Grand Jury in January, and now the 23-year-old desperado is nearing his end of the cell. The jury disarmed, the judge failed to recommend leniency, and now the 23-year-old desperado is nearing his end of the cell.

The California supreme court and the governor stand between him and execution. Cook will wait for their decision in San Quentin prison.

Sports in Brief

BY UNITED PRESS

Indianapolis football coach Clyde Smith explains his recent resignation by saying that the nation’s athletic heritage has been sold out “for a mess of pottage.” Smith, whose resignation became effective next April 1, said it to university and college presidents to determine right and wrong in athletic programs.

College of the Pacific has asked to play in the Sun bowl at El Paso after first turning the bid down because the guarantee was not enough to cover expenses. The school will meet the winner of this Saturday’s Texas Tech-Hardin Simmons game on Jan. 1.

Tulane university has decided to impose rigid restrictions on athletic scholarships, recruiting players, scouting and the size of its varsity football squad.

Tulane also has asked the other 11 members of the southwestern conference to follow its lead. President Rust Harris of Tulane calls the program a plan to “retrain” athletes.

Manager Leo Durocher of the New York Giants revealed that the St. Louis Cardinals tried to obtain Eddie Stanky to succeed Marty Marion as manager. Durocher says the deal fell through when New York asked for Enos Slaughter or Harry Brecheen in return. While Durocher was holding a news conference in New York City, owner Fred Saigh announced that Stanky no longer is considered for the Cardinal job.

Panhellenic made a brave move last week. They said "No." This organization, like others on campus, usually doesn’t have the sense to say "top things when they’ve had enough. They gripe about all the work they have to do, but when someone decides that the sororities shall do such-and-such, they climb on the bandwagon with a foot dragging behind.

Panhellenic has been called upon to provide the Hi-Jinx variety show, Homecoming floats, New member songfest entries, track meet decorations, conviction of4 the international armies. It would mean that each nation would have to give up final powers to give orders to its own fighting men, and the ministers begged down when they tried to decide how much authority each nation would have to give up to and to whom. They also couldn’t come to any conclusion whether they could supply the 30 or 40 divisions sought by General Eisenhower by next year.
Grizzly Centers Stretch for Ball... 

Intra-squad Hoop Match

Grizzly basketball coach Jiggs Dahlberg divided his varsity squad into two teams yesterday afternoon for an intrasquad scrimmage. The Whites, composed of Chuck Davis, Bob Sparks, Mickey Luckman, Hal Sherbeck, and Jim McNaney, defeated the Reds, 70-49.

On the Red team were Dale Johnson, Ed Anderson, Bud Bills, Dick Anderson, and Rich Johnson. Luckman and Davis led the scoring for the Whites with 23 and 22 points, respectively. For the Reds, Dale Johnson and Bellis shared scoring honors with 11 points each.

Dahlberg Puzzled About Sankus

Sankus had counted heavily in Dahlberg's plans for a center. Now, with Sankus gone Dahlberg says he will have to move Luckman out of his new forward position and back into the center post. Luckman was the Grizzlies' starting center last year. Dale Johnson is pushing Luckman for the keyhole spot, according to Dahlberg. He says, "Johnson is improving all the time."

Here's how the scoring was distributed in yesterday's game.

Whites: Luckman 23, Davis 22, E. Anderson 5, Sparks 9, McNaney 6, Dee Powell 5, Sherbeck 3, Don Lucas 1, and Bob Byrne 1.

Eleven Play for Reds

Reds: Johnson 11, E. Anderson 5, Bob Byrne 1, and Dave Belliss 1.

New Bleachers Installed in Gym

New bleachers are being assembled in the Men's gym in preparation for the basketball season. The new seats will raise the seating capacity from 2,100 to 2,600. The old bleachers have been removed and steel bleachers are being installed by the Safeway Scaffold company of Portland, Ore.

The Faculty bowlers have entered their second quarter of their three-game match.

Journalism Takes Lead

The Journalism bowling team went into first place in the Faculty Bowling league, Tuesday night, when they took three straight games from the Botany-Chemistry five.

Despite the superior bowling of Ed Dwyer, the Business Administration kegler, the BA's lost two of their three games to Administration. Dwyer hit high single game and high three-game series of the evening with 214 and 554 pins, respectively.

Military Science moved into a tie for second place with Business Administration when they downed the Liberal Arts bowlers two of the three games. Military Science also took team honors for the night, with 843 pins for high game and 2,373 pins for high series.

Physical Education took two games from the cellar-dwelling Humanities crew.

Future Basketball Season

New Hall Downs KKG’s For VB Championship

BY HELEN LENHART

New hall No. 1, defending champions, beat Kappa Kappa Gamma in a red-hot championship volleyball game last night. The score, 23 to 13, does not show how desperately each team fought for every point. Earlier in the evening, Sigma Kappa trounced New hall No. 2, 27 to 20.

Although New hall No. 1 and Kappa Kappa had obviously begun at first, they still managed a half-time score of 10 to 7 in their favor. The second hall was marked by long volleys, both in distance and time. The playing of Mary Riley, Steelevaile, center back, whose teamwork with Beryl Hansford, Kaispel, center front, was especially impressive on the New hall side. However, their play was offset somewhat by the spiked balls delivered by Sis Carstenson, Helena, center front for Kappa. (A spiked ball is one delivered from a high point above the net straight downward with force.)

High scorers for New No. 1 were Willi Rosean, Columbus, and Kathleen Pigott, British West Indies, with 5 points each with 5 points. Leslie Ann Stensen, Helena, center front for New No. 1, was especially impressive on the New hall side. However, their play was offset somewhat by the spiked balls delivered by Sis Carstenson, Helena, center front for Kappa. (A spiked ball is one delivered from a high point above the net straight downward with force.)

High scorers for New No. 1 were Willi Rosean, Columbus, and Kathleen Pigott, British West Indies, each with 5 points. Leslie Ann Stensen, Helena, made 4 points for Kappa.

New hall No. 2 started strong in the first half of the game with Sigma Kappa scoring 14 points over Sigma Kappa’s 6. But Sigma Kappa whirled by with 21 points in the second half. High scorers for Sigma Kappa were Jo Pings, Great Falls, 7 points; and Jo Arnold, Malta, 6 points. For New, Carol Crumley, Chester, and Lynn Hughes, Scobey, each scored 4 points.

Delta Delta will play Sigma Kappa at 4:30 Friday for consolation place and Alpha Chi will play Kappa for second place at 5 p.m.

Four Greek Gals’ Teams Will Swim

Teams from four women’s living groups will compete in the swimming meet today at 4 p.m. in the Men’s gym. They are Kappa Alpha Theta, defending champions of the last two years, Sigma Kappa Gamma, Alpha Phi and North hall.

Contestants may wear their own bathing suits. Team captains should be at the pool by 3:30 p.m. to draw lanes.

In the last two years of competition Theta has held the trophy cup. Last year the Theta women were all-around winners.

Elaine Ugherin, Butte, Theta, won the 20 yard free style with a time of 12.2 seconds; Yvonne Kind, Alpha Phi, Missoula, took the 20 yard breast stroke event in 19.5 seconds; Bev Burgess, Missoula, Theta, won the 40 yard free style in 26.8 seconds; and Joyce Hardin, Billings, Delta Gamma, won 40 yard breast stroke with a time of 34.3 seconds. Theta held the 80 yard medley relay in 54.4 seconds. (In a medley relay the first swimmer does a back stroke, the second a breast stroke, and the third a crawl.)

Bonnie Silliff, Livingston, ref¬ ered the best all-around swimmer. Finals will be at 10 o’clock, Saturday, Dec. 1.

Social Calendar Dates Due Now

Social chairman of all organizations and living groups must turn over their three water quarter date preferences for social activities in to the dean’s office on Tuesday, Dec. 4, by 4 p.m.

In tomorrow’s Kaimin there will be a calendar of the events that are already scheduled, like concerts and plays, so that clubs may plan by that. A permanent list of social events for both winter and spring quarters will be put up in the dean’s office.

The social committee will have their pictures taken today at 3 p.m. in the Copper room.

KAIMIN PRINTS ERROR

Contrary to the statement printed in yesterday’s Kaimin, New hall No. 2 will not play for consolation place with Tri Delt. Sigma Kappa will play Tri Delt for consolation place.

Social M. Officers’ Test Slated for Sunday

All men who have signed up as intramural basketball officials are required to take the Montana Officials’ test. George Cross, intramural director, said yesterday. The tests will be given at the Florence hotel Sunday afternoon.

Groups wishing to enter teams in the intramural basketball leagues are asked by Cross to hand in entry forms which can be obtained at the intramural office.

Intramural basketball practice will start Saturday. Teams wishing to use the men’s gym for practice may sign up at the office.
