Cotton Ball Successful, Says Panhel

An evaluation of the Cotton ball, Panhellenic sponsored girl-sky dance at the American Legion Saturday, May 8, was made by the committee in charge Monday night. The committee agreed that the dance itself was a success, but expenses were not met. Panhel went 3 in the red, said Donna Bar, Astrip, chairman.

In the next Panhel meeting it will be decided if the Cotton ball will be sponsored again next year. The committee felt that it would, however.

Each sorority not having 16 girls who attended the dance will contribute to make up the deficit according to the number that went. The Moon Moods played for the dance. Six pledges gave an imitation of Spike Jones and his City Slickers as part of the entertainment. Berta Huebl, Glendive, and Joyce Howanach, Belt, sang. Judy Jams, Missoula, was in charge of entertainment.

Placement Bureau Lists Many Full, Part-time Jobs

Several full-time jobs in Missoula have been listed with the placement bureau. These jobs are so part-time for the remainder of the school year. Two of the positions are for girls who are interested in selling. Another job is open for a young man to work about three hours in the evening now, full time during the summer, and part-time again in the fall. A number of full-time stenographic jobs have been listed, and also a combination office-manager/technician position. These jobs are full-time the year around. Students interested should call the Placement bureau office, Mathematics building, for further details.

Today's Meetings—

Phi Delta Phi, 12 noon, Eloise Nowles room.
Off-Campus Women, 12 noon, Bitterroot room.
Central board, 4 p.m., Eloise Nowles room.
AWS, 4:30 p.m., Central Board room.
CSO, 4:30 p.m., Bitterroot room.
Phi Chi Theta pledges, 5 p.m., E301.
APO, 7 p.m., Makeup room.
Sponsor corps, 7 p.m., Dornblaser hall; business meeting, ROTC building, following drill.
Arnold Air society, 7:30 p.m., upper room.
Kappa Psi, 7:30 p.m., Bitterroot room.
Phi Chi Theta, 7:30 p.m., BE301.
M club, 9 p.m., Makeup room.

Selection Process Of More Foreign Students Begins

Applications from foreign students who want to attend MSU next year have been received and the selections are now being made, according to Prof. Robert C. Line.

"We have 10 foreign students, not including Canadians, at MSU this year," he said. "Most of these students attending MSU come under the auspices of the Institute of International Education. This organization has placed foreign students in U. S. colleges for 33 years."

Foreign students who come to MSU are given free room and board. This is made possible by various fraternities, sororities, and local groups agreeing to pay these costs.

Professor Line urges any organizations that might be interested in taking care of one of these students for the coming year to contact him. He said, "We now have a Missoula church organization looking into the possibility of furnishing one of the students free room and board."

Seniors Get Scholarships

Eight scholarships were awarded the winners of the Teachers' Education contest at a dinner Monday night. The awards were made to outstanding high school seniors in the state. The purpose is to strengthen public school education in the state by aiding students in professional and college training. Miss Mary Condon, state superintendent of schools, addressed the contestants and winners at the banquet.

Dean Linus J. Carleton, MSU School of Education, announced the winners as follows:

The three \$100 scholarships awarded by the Montana Federated Women's clubs went to Marie Howard, Ronan; Arlene Steele, Missoula, and Richard Howell, Darby. The alternate is Emily Wherley, Florence.

The Missoula Lions club \$100 award went to Emma Hansen, Powell County high school, Deer Lodge, and her alternate is Margaret Iverson, Missoula.

The Missoula Elks club \$100 scholarship was given to Despina Loubis, Missoula, and her alternate is Jean Allred, Ronan. The Ravalli County MEA \$100 award was given to Ephraim Hackett, Victor, and the \$75 award was given to Patricia Riley, Corvallis. The alternate winner was Maveen Whiting, Darby. The Sanders County MEA scholarship was awarded to Phyllis Dunlap, Thompson Falls, and her alternate is Carol Grant, Hot Springs.

BLOOD DRAWING SCHEDULED THURSDAY AT MOOSE CLUB

A May blood drawing will be Thursday at the Moose club, stated E. K. Taylor, local Red Cross blood program chairman.

The drawing will be from 10 a.m. to 4 p.m. Appointments may be made by calling the local office of the Red Cross. The May quota is 300 points.

MSU Officers At Tucson Meet

Six MSU students left Monday for a meeting of the Pacific Student Presidents association in Tucson, Ariz. May 13-16.

Students making the trip are Norm Anderson, ASMSU president; Phyllis Kind, ASMSU secretary; Kay Hudson, ASMSU vice president; Bev Henne, Traditions board chairman; Don Cameron, past business manager, and Dave Leuthold, past Central board member.

Students of 118 schools from 11 western states, Hawaii, and British Columbia are participating in the meet. They will discuss mutual problems and exchange ideas with officers of other schools. The six MSU students will return next Monday.

Entries Complete For Interscholastic

Entries are complete, reception plans are made and the program of participation and competition for the 47th annual Interscholastic is ready, stated Dr. J. W. Howard, chairman.

With more entries, expenses of the meet will be greater than ever, said Dr. Howard. The Missoula Junior Chamber of Commerce has sold more than 400 season tickets for the event, and sales will continue until the meet begins, he reported.

Interscholastic events will start at 8 a.m. Friday. The first track and field events will begin on Dornblaser field at 1:30 Friday.

MSC Flying Unit Logs Big Mileage

Members of the Student Flying Co-operative at Montana State college have flown the equivalent of more than 13 times around the world, according to a bulletin received from MSC.

Since the group incorporated early in 1947, club members have flown all over the U. S. in chalking up the mileage. The most serious injury to occur during this period was a broken finger nail, which a member received while waxing a plane.

Forestry Members Intend Opposition To D'Ewart's Bill

At a meeting of the Forestry club Monday night, members decided on a program to express their opposition to the state grazing land bill now being proposed by Rep. Wesley D'Ewart of Montana.

As outlined by George Stone, Forestry club member, this is how the foresters intend to oppose the bill:

Members are contacting all western forestry schools, and giving them information regarding it. Each member of the Forestry school is being asked to write to his district representative and senator, explaining why he opposes the bill. Sportsmen's groups are being encouraged to write to their congressmen also.

Known Artist, Julian Levi To Appear Here in August

Julian Levi, internationally known artist, will be on campus beginning the week of Aug. 2 for the University Roundup of Arts program, according to H. V. Larom, director. Levi teaches at Columbia university, the New School for Social research and Art Student's league in New York City.

He works in oils, silver point, lithography and gouche which is a method of painting with opaque colors which have been ground in water and mingled with a preparation of gum.

His pictures have been exhibited in Europe, South America and the United States. He has won prizes such as a Cresson traveling fellowship, the Norman Wait Harris, and the Kohnstamm prize at the Chicago Art institute. He won the Oberg prize at the National Academy of Design.

Collections of Levi's work are on exhibition in such museums as the Metropolitan museum, the Museum of Modern Art and the Whitney museum in New York.

"We hope that as many artists as possible will join us for a

Interscholastic Meet to Embrace Many Fields

For many years the Montana Interscholastic meet has been known as one of the largest track and field events in the Northwest and possibly in the United States. But the meet also includes many scholastic events.

The only scholastic event included in the program at the first Interscholastic in 1904 was a declamation contest. Later, debate was added, in 1915 the High School Editorial association was founded, and in 1927 the Little Theater tournament was included.

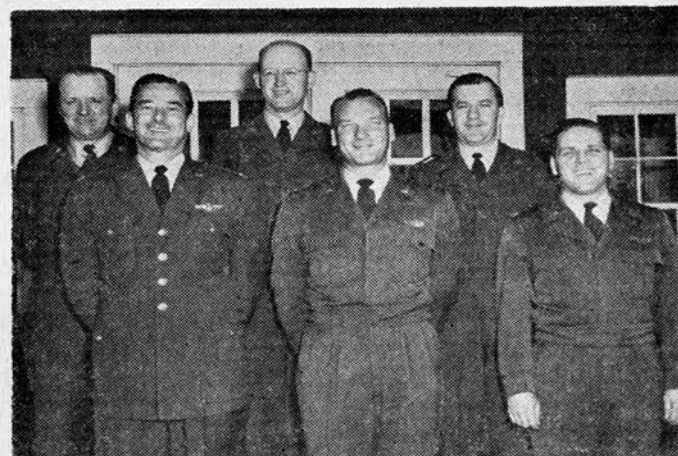

This year's program for the 47th Interscholastic will include track and field events, golf, tennis, the Interscholastic Editorial association's annual meeting, the Little Theater festival, and speech contests in debate, declamation, extemporaneous speaking, and original oratory.

Pub Heads Leave For Press Meet

Five MSU students will attend the Rocky Mountain Intercollegiate Press association's annual convention in Pocatello, Ida., this week. Sentinel Editor Doug Anderson, Conrad, and Business Manager Pat Thomas, Missoula; Winnie Dinn, Butte, Kaimin business manager; Ray Moholt, Glendive, associate editor; and Bill Jones, Miles City, editor, will leave this afternoon for the convention.

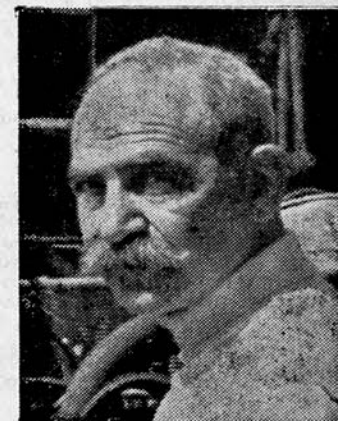

Lew Keim, Kalispell, former Kaimin editor, is presently vice-president of the conference. Dick Wohlgenant, former Kaimin editor, was president during 1951-52.

Air Power Strikes . . .

The Air Science bowling team rolled their way into the faculty bowling league championship this year with 52 wins and 31 losses. They finished one game ahead of a strong-finishing Business Administration squad. Pictured from left to right are: Sgt. Hansen, Major Price, Sgt. Budina, Major Painter, Sgt. Anderson, and Major Zeuty.

full week," said Larom. "However, if you have only a few hours to spare, make an appointment with us, put your paintings in your car and come down long enough for a private criticism. Last year seventeen painters had personal interviews with Man-gravite, our visiting artist, and we hope as many or more will be

JULIAN LEVI

able to meet with Mr. Levi," Mr. Larom added.

Levi will teach a class each morning and will give a limited number of private conferences in the afternoons.

Dorothy Johnson To Dedicate Book to Merriam

"My book of short stories, 'Indian Country,' will be dedicated to Harold G. Merriam," Miss Dorothy M. Johnson, secretary of the Montana State Press association said.

"The publisher has approved the idea of a dedication—sometimes they don't."

Miss Johnson said her reason for dedicating the book to Mr. Merriam, English department chairman, is, "I took creative writing from him, and I owe him a great deal because of the high standards he set for writers."

The book will contain a dozen frontier-western stories, all previously published in national magazines. Ballantine Books, Inc., will publish the book in July, in both hard-cover and paper-bound editions. "I signed the contract April 3 while in New York, just before coming to Missoula from Whitefish," Miss Johnson stated.

Why ASMSU Needs Some . . .

Hoover Commissions

Collegiate elections throughout the nation are now nearly completed. And a problem faces nearly all presidents. That problem is, "how to utilize the unlimited number of students interested in government, yet who do not occupy elective posts."

One method by which this reservoir can be tapped is to concoct student committees, then load them with eager beavers. This process tends at times to create offices for offices' sake, and to load same with dead weight.

Yet even though some unfortunate by-products result from the committee system, its better to have more than enough workers for the available posts than less than enough. In past years ASMSU leaders have had an abundance of applications for posts, yet not enough posts for all. When the last application is turned in this Friday for the coming regime's tenure, the same pattern will no doubt be re-enacted.

Watchdogs Needed to Insure Success . . .

This means that something should be done to utilize the students who are not on committees, yet who possess the intelligence and interest that warrants their participation in ASMSU affairs. One of the best means by which this could be accomplished is the "Hoover Commission."

The ASMSU constitution, Traditions board, Intramural sports, and Budget and Finance are but a few of the ASMSU committees that could benefit by a "Hoover Commission" evaluation. These evaluations would not be geared to find fault, but rather to note opportunities for improvement.

This Bandwagon Is Worth Our Presence . . .

The ASMSU leaders now convening in Tucson, Ariz., will no doubt hear much of collegiate "Hoover commissions." Many schools have tried them and found them to be advantageous. They are the perfect solution for utilizing governmentally-inclined manpower, as well as insuring the superb functioning of standing committees. But greater yet, these "commissions" could enlist the services of the "Sidewalk Socrates" who excel in doing nothing but saying much. We hope MSU will be the next to hop on the bandwagon that supports "Hoover Commissions," not "McCarthy investigations" as the answer to the cries for better government.—B.J.

On the Skyline

BY JERE LEE RIVENES

As a sequel to MSU's near tradition of the Sweetheart of Sigma Chi getting pinned to a member of some other fraternity, the "Rocky Mountain Collegian's" column, "Hither and Yon," reports that the national Sweetheart recently announced her engagement to a Theta Chi. The national president of Theta Chi was reported to have said, "She knows a good man when she sees one." Very nice!

"The Daily Utah Chronicles" for last week were full of interesting articles. Their frosh paper was appropriately printed in green ink and spent a great deal of its time praising the class of '56. It noted that the spring issue of "Pen," their student literary magazine, would have "Inside the University" as its theme, and promised that the story entitled "Inside Sorority Row" by Mata Hari II in the issue would be good.

One student expressed his pet peeve as being inadequate parking on the Utah campus; however, he was able to look on the bright side of things and said, "On the lower campus you are lucky to find park-

ing space within a half a mile of your classes, but of course this provides excellent training for the distance runners."

The "Chrony" stated that at Louisiana State U students were opposing the faculty in regard to a football stadium-library building issue. The students want the library first! Something new has been added.

Les Brown and his "band of renown" played at the University of Wyoming Monday evening free of charge to students, while adults and others paid \$1.50 for tickets. In a two-day drive at Laramie only 125 gave pints of blood.

The "Lobo" notes that "we have red tape on everything nowadays, even car bumpers." What is this mickey-mouse?

NEWMAN CLUB PICNIC PLANNED FOR SUNDAY

The Newman club annual picnic will be Sunday, May 17, in Montana Power park immediately following 9 o'clock mass, according to Cathy Doherty, Missoula.

Those wishing to go should leave their names in the Newman club office before 6 p.m. Thursday, stating transportation needs or availabilities.

Letters to Editor . .

Stone Urges Student Action On Grazing Bill

In reference to your editorial of May 12, 1953, "The Land Grab Bill," or officially H.R. 4023, the "Uniform Federal Grazing Land Act," I agree that such a bill is bad legislation. But let's not stop with simply an editorial and hope that this bill is defeated in Congress; let us actually do something about it now with letters to those concerned.

The bill is due for a hearing in the House Subcommittee on Public Lands May 20, 21, and 22. "Individuals and organizations wishing to testify should write Congressman Wesley A. D'Ewart (Montana), the chairman of the subcommittee. Written statements may be mailed to him for the records, but copies or similar letters also should be sent to your own congressman, U. S. senators, and to other of the following members of the subcommittee on public lands:

Wesley A. D'Ewart (Mont.); A. L. Miller (Nebr.); Norris Paulson (Calif.); John P. Saylor (Pa.); William H. Harrison (Wyo.); J. Ernest Wharton (N. Y.); E. Y. Berry (S. D.);

H. R. Gress (Iowa); John R. Pillion (N. Y.); Clifton "Cliff" Young (Nev.); Craig Hosmer (Calif.); John J. Rhodes (Ariz.); Clair Engle (Calif.); Lloyd M. Bentsen Jr. (Texas); Wayne N. Aspinall (Colo.); Samuel W. Yerty (Calif.); James G. Donovan (N. Y.); Mrs. Gracie Pfest (Ida.); and George A. Shuford (N. C.)

The Department of Agriculture will prepare reports on H.R. 4023 and S. 1491, "an identical bill in the Senate," and your views also should be expressed to Secretary Ezra Taft Benson.

With the endangering of our public lands by this bill, everyone should take an interest and write to the legislators concerned. It may be much easier to pass the buck and let the next fellow do the letter writing, but I appeal to every student on the campus and those off the campus to act now and keep that public land that is rightfully theirs from those money-minded stockmen who would take it away.

For those interested, copies of the bill may be obtained in the forestry school office.

George Stone

The Montana KAIMIN

Established 1898

The name Kaimin (pronounced Ki-meen) is derived from the original Selish Indian word and means "something written or a 'message'."

Published every Tuesday, Wednesday, Thursday, and Friday of the college year by the Associated Students of Montana State University. Represented for national advertising by National Advertising Service, New York, Chicago, Boston, Los Angeles, San Francisco. Entered as second-class matter at Missoula, Montana, under Act of Congress, March 3, 1879. Subscription rate \$3.00 per year.

LITTLE MAN ON CAMPUS

BY DICK BIBLER

"Oh, yes, I suppose things might be a little different for me if I wasn't on th' Board of Trustees."

Forms Available For Students Seeking Activities

Members of Gripe board wish to remind students of the student activity interest cards which are on file in the ASMSU office in the Student Union.

At the beginning of each new quarter, these cards are handed out and filled in by students interested in working in any of the 56 activities listed.

The file has been used by members of many committees and organizations and has helped in giving interested students opportunities to work in activities.

Names in each category can be easily and quickly found in the file. Directions for using the file are with the cards.

The cards were introduced last fall and were designed by Helen Lenhart, Havre; Danny Lambros, Missoula; and Doug Anderson, Conrad.

Utah U Expected to Capture Division Track Meet in Provo

BY GLENN CHAFFIN JR.

With the division track meet this weekend in Provo, Utah it looks like another win this year for the university Redskins.

The Redskins are again stout in events. In the pole vault Jack-son, should not have any trouble winning. He has cleared 13 feet 9 inches. In the high jump Cal-k, Utah, has jumped 6 feet 11 inches, less than two inches short of the world record held by Steers of Los Angeles at 6 feet 11 inches. BYU will have John Bonham in the high jump. He has cleared the bar at 6 feet 11 inches.

Bob Fulton, defending conference javelin champ of Utah with a 250 foot 5 inch toss last year, will be back. Utsond of the Grizzlies will be a point winner in the javelin if he stays in form.

In the discus, Dowd Jesson, who led second last year, should win the event this year. Bill Smith, a year's division shot put champ, also a returning point winner for the Redskins.

Utah will also be strong on the sprints. Dale Newbold was rated fourth in the nation when he ran the century in 9.7 beating the 9.8 set by Fuenning of BYU. Fuenning, has stepped the 220 in slightly faster than Newbold's.

At the 440 Montana's Leon Conner must beat Tovey of Utah. Tovey beat Conner at Utah last weekend. Lonner, another Grizzly, has a good chance of winning. His best time this spring is 49.8, a tenth of a second faster than Conner's.

In the mile and two mile events he should win, but he will be challenged by Lundell of BYU. In the mile meeting here, Rife came from behind to win the backstretch.

In the broad jump, Hudson of the Grizzlies and Ford, Utah state, should both be point winners. Rich-ardson may also pick up points for the Grizzlies.

Dick Lindsay who has run the

high hurdles in 14.8 will win points if he does that or better at Provo this Saturday. Track coach Harry Adams said the Utah relay squad is also the team to beat.

Softball Results—

Education club beat the Dukes 21 to 8. Sigma Chi scored a 17-5 win over Alpha Tau Omega.

The Forester-South hall and Sigma Alpha Epsilon-Sigma Phi Epsilon games were cancelled because of the intramural track meet at 6 p.m.

HEAR GUEST SPEAKERS

"How the University Affects Missoula" was the topic of the Student Christian association's weekly meeting last night in the Bitterroot room in the Union.

Speakers from the Chamber of Commerce, Missoula Ministerial association and the Missoula council each talked for 15 minutes. A discussion period followed.

Utah Takes First

Utah U beat Utah State 14-4 in the first game of a double-header yesterday. If Utah won the second game last night they are Western division champs, but if they lost there is a tie for top position between Montana and Utah. Second game results were not in at Kaimin press time.

TRIPLE THREAT MAN!

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

AIRCRAFT OBSERVER

The Brains of the Team

Teamwork can work miracles. In a football game the man who sparks these miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too! They call him an Aircraft Observer.

Do YOU have what it takes to become an Aircraft Observer?

It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:

As **Bombardment Officer**, is number one man on a bombing run, the man who controls the plane in the target area! As **Navigation Officer**, is the pilot's guiding hand on every flight!

As **Radar Officer**, is master of a new science and operator of the device that sees beyond human sight!

As **Aircraft Performance Engineer Officer**, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If YOU can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

TO BE QUALIFIED you must be single, a citizen, between 19 and 26½ years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than \$5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be **THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN**... as a Bombardment Officer, as a Navigation Officer, as a Radar Officer, as an Aircraft Performance Engineer.

Skyline Baseball Contest May End in Three-Way Tie

Montana's baseball team moved to the top of the Skyline Western division Friday night when they edged Utah State 4-3, but the Grizzlies fell back into second place Saturday night as Utah university won BYU 10-9 to give the Utes 3-4 record over MSU's 7-5.

In the first half of the double-header Friday afternoon, Utah state beat the Silvertips 6-1. Utah state was Montana's last conference foe this season. The Grizzlies will meet Montana State college this weekend while awaiting the outcome of Western division games. Gene Carlson gave up eight hits and struck out seven Friday night to lead the Grizzlies to their final league victory. Jim Murray was so outstanding at centerfield.

Roger Marshall pitched eight innings of the afternoon game, giving up seven hits and striking out seven. Dick Hansen relieved Marshall in the ninth and gave up no more hits.

Jumbolaya Places Highest In I-M Track Preliminaries

Jumbolaya topped all teams in the intramural track preliminary races last night with nine men advancing to the finals. The five preliminary events ran off were the 440, 220 and 100 yard dashes, and the low and high hurdles. The events were run off in heats and the top five men were timed in each heat. When all heats were finished the six best men qualified for the finals.

The defending championship Phi Delta Theta squad were close to Jumbolaya with eight men selected for the finals. Sigma Chi advanced six men to the finals, Theta Chi five, and Phi Epsilon Kappa, physical education honorary, three. No other team placed anyone in the finals of these five events, although they still have entries in the field events and distance runs.

The finalists in the 440 yard dash are Shadoan, SX, 59; Munger, PDT, 59.5; Eigeman, PDT, 59.8; Coynan, PEK, 60; Trinastich, Jumbolaya, 61; and Dickey, TX, 61.2. Finalists in the 100 yard dash are Imer, Jumbolaya, 10.9; Skates, PDT, 11; Campbell, Jumbolaya, 11.1; Pomroy, Jumbolaya, 11.1; Potter, SX, 11.2; and Jystad, SX, 11.2.

The 180 yard low hurdle finalists are Palmer, Jumbolaya, 21.4; Wood, TX, 22.6; Campbell, Jumbolaya, 23; Harmesen, 23.5; Eliason, PEK, 25.1; and DeAndre, PDT, 25.5. Finalists in the 120 yard high hurdles are Palmer, Jumbolaya, 19.4; Moomaw, PDT, 19.9; McCrea, SX; Wood, TX; DeAndre, PDT; Eliason, PEK; and Cates, SX. All men entered in the 120 yard high hurdles qualified.

The finalists in the 220 yard

WAA Sponsoring Four Tournaments Of Varied Sports

Four tournaments, softball, badminton, horseshoes, and tennis, are being conducted by the Women's Athletic association, according to Deanne Thorsrud, advisor.

The round-robin softball tournament, not completed due to bad weather, was halted last week, when the single elimination tournament with a consolation division was begun. In tournament play four teams have advanced to the third round. The scores of the games were Independents, 21, New hall 6; Kappa Kappa Gamma 28, North hall 6; Sigma Kappa 16, Alpha Phi 8; and Delta Gamma forfeited to Tri Delt.

In badminton singles Mary Riley, Stevensville, advanced to the quarter-finals by beating Mary Swearingen, Missoula.

Eighteen women entered the tennis single elimination tournament, according to Nan Hubbard, manager. Three matches have been played—Jean'ne Shreeve, Milltown, beat Willa Andreasen, Missoula; Susan Blake, Missoula, beat Kathy Pigott, Stevensville; and Shirley DeForth, Glendive, beat Barbara Mellott, Hamilton.

Miss Hubbard announced that the following matches must be played by Thursday: Arlene Holinger vs. Jo Mae Chase; Glenda Zimmerman vs. Mary Swearingen; Norma Iler vs. Bev Pitcher; Rosie Laing vs. Pat Woodcock; and Alice Smith vs. Carol Critelli.

SAE Confident Victory Is Theirs By Topping Jumbo

"If we can defeat Jumbo hall in tournament play, we're in." That seems to be the opinion of the SAEs about their softball team. So far, the SAE club has won 4 and lost 1 in league play, ranking second to the powerful Jumbo nine which has a 5-0 record.

One of the highlights of the season thus far was when Al Manual, starting pitcher for the SAE club, tossed a no-hitter for one of the club's three wins.

Infielders include Jack Coppedge, George Paul, Don Gerlinger, and Bob Dantic. The outfield is composed of Bob Hudson, Keith

Softball Schedule-

Jumbo hall meets Education club on field No. 1 at 4:15. Thompson and Frank will officiate. The Dukes and Alpha Tau Omega play on field No. 2 at 4:15. Buley and Howe will officiate.

At 6 p.m. Phi Delta Theta and Jumbolaya play on field No. 1. Officials: Eliason and Bradshaw. Phi Sigma Kappa and South hall will meet on field No. 2. Officials: Bergquist and Holt.

Terrell, Don Welch, and Jim Winters. Winters is the manager.

Gerlinger is leading the club in hitting and specializes in spraying whistle-line drives to all fields.

The SAE team has one game left in league play.

Music Contest Offers \$7,500 Prize Awards

Seventy-five hundred dollars in prizes will be offered to winners of the 1953 Student Composers Radio contest according to C. Haverlin, president. The money being offered by Broadcast Music, Inc., and BMI, Canada.

The national winners will be announced in April, 1954. First prize will be \$2,000, second, \$1,000, and third, \$1,000. Six other awards totaling \$3,000 will be offered. Official rules, together with entry blanks may be obtained from Russell Sanjek, director, SC Project, Fifth floor, 580 Fifth Avenue, New York City.

Don't you want to try a cigarette with a record like this?

1. THE QUALITY CONTRAST between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the country's six leading cigarette brands.

The index of good quality table—a ratio of high sugar to low nicotine—shows Chesterfield quality highest

... 15% higher than its nearest competitor and Chesterfield quality 31% higher than the average of the five other leading brands.

YEARS AHEAD OF THEM ALL!

Choice of Young America

A recent survey made in 274 leading colleges and universities shows Chesterfield is the largest seller.

2. First to Give You Premium Quality in Regular and King-size . . . much milder with an extraordinarily good taste—and for your pocketbook, Chesterfield is today's best cigarette buy.

3. A Report Never Before Made About a Cigarette.

For well over a year a medical specialist has been giving a group of Chesterfield smokers regular examinations every two months. He reports . . . *no adverse effects to nose, throat and sinuses from smoking Chesterfield.*
