PRODUCTION PROJECTS:
Each project will be evaluated on a point system (points received/points available). Full credit will be given for those projects that are error free, in correct format and submitted by due date. All work must be completed in Word.

Points will be deducted for spelling, punctuation, or format errors. Late work will be accepted for one week after due date. Projects that are submitted late will be lowered 3 points per project. Unsubmitted projects will be recorded as zeros.

There is no opportunity to make up missed tests unless an emergency situation occurs. The instructor must be notified before the test is administered in order for a makeup exam to be given. Students must make arrangements to take the test the day they return to school.

MICROSOFT OFFICE CERTIFICATION PRACTICE
During the semester students will have access to the test prep software that will be used to prepare for the Microsoft WORD Certification. This portion of the class will be worth 10 percent of your grade.

MICROSOFT OFFICE CERTIFICATION PRACTICE
This test must be taken before the end of the semester and will be set up on an individual basis with your instructor. The grade that is received on the exam will account for 20 percent of your overall grade for the course.

ATTENDANCE
Attendance is required. You will be given points for attending each class. No points will be given for missed classes under any circumstances.

OTHER POLICIES:
All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University.

All students need to be familiar with the Student Conduct Code. The code is available for review online.

Students with disabilities may request reasonable modifications by contacting me. The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). "Reasonable" means the University permits no fundamental alterations of academic standards or retroactive modifications. For more information, please consult the DSS website.

ALL CELL PHONES MUST BE TURNED OFF DURING CLASS TIME. No children, spouses or significant others are allowed to use the computers at the COT unless enrolled at the college. No food or drinks allowed at the computer stations during class time.
