**RELATIONSHIP TO PROGRAM(S):**

This course provides students with practical experience working on an store room situation realistic to large restaurant kitchens. Students become familiar with procedures that are used to ensure proper use and storage of products used in the industry.

**COURSE DESCRIPTION:**

This course will introduce the student to fundamentals in store room procedures, inventory, purchasing, and meat identification.

**STUDENT PERFORMANCE OUTCOMES:**

Upon completion of this course, the student will be able to:

- ✓ Know the operation of a food service storeroom.
- ✓ Evaluate the effectiveness of formal storeroom procedures and paperwork.
- ✓ Compare/analyze the flow of goods in the correct order and identify correct supplier for each category of food supply.
- ✓ Operate a formal storeroom with limited supervision.
- ✓ Show an understanding of the importance of formal and informal storeroom procedures by completing weekly station objectives.
- ✓ Identify specifications of common store products.
- ✓ Identify specifications of meat and poultry.
- ✓ Maintain proper sanitation procedures throughout the Culinary Department.
- ✓ Prepare inventory sheets.
- ✓ Analyze income and expenditures.

**STUDENT PERFORMANCE ASSESSMENT METHODS AND GRADING PROCEDURES:**  
**Production and Testing**

- 1) Students will be required to demonstrate daily production assignments requiring pre-planning of methodology and recipes. Recipes must be read and understood by the student before attending class. Students will be evaluated on teamwork, professionalism, mise en place, production guide/timelines, plating diagrams, quality of finished product, sanitation and organizational skills.
- 2) All assignments, projects and tests will be assigned point values. It is the responsibility of the student to obtain quiz and production competency scores. Weekly tests will be tabulated and returned to the student for review in a timely fashion (usually within one day). Students are strongly encouraged to review their scores and grade sheets often. They can be reviewed by appointment during office hours.
- 3) The quiz schedule and dates are included in the weekly schedule posted in introductory content area of Moodle shell. Quizzes will be written and given during class time. Grading will take place immediately after the quiz is complete. Makeup for a missed test is not offered unless faculty is notified and guidelines are identified for the individual situation before each test. Students may be able to make up a missed test for emergency situations such as sickness or required work activities, but must submit documented excused absences such as a Doctor note identifying excused dates or mandatory work related travel dates in a timely manner.
- 4) It will be the student's responsibility to complete the assigned competencies. Upon completion, it will be the student's responsibility to have Chef Nack critique the assignment and give feedback to the student on what can be improved, quality standards, etc. At that point, it will be the student's responsibility to type the feedback and submit the feedback via Moodle Drop Box by the end of the rotation to receive a grade for the competencies.

Total points earned will be divided by points possible, and a letter grade will be assigned based on the following:

**Grading Scale:**

- 90 - 100 A
- 80 - 89 B
- 70 - 79 C
- 60 - 69 D

**Evaluation Criteria:**

Tests	40 percent
Notebook	10 percent
Final Project	5 percent
Sanitation	5 percent
Competencies	40 percent

**Total: 100 pts**

### **ATTENDANCE POLICY:**

Attendance will be taken. Each unexcused missed class will result in a 5-point deduction from final points accumulated. Excused classes (provide doctor's note/emergency) will result in a 2-point deduction. Late students, or students that leave class early will result in a 3-point deduction from final points accumulated. No make-up is allowed for lab participation. If students are absent for any reason, they will be accountable for any information disseminated and be held responsible for class notes, announcements of tests, and assignments.

### **PARTICIPATION:**

Students must demonstrate teamwork as consistent with industry. This is necessary as students contribute to the learning environment and become active learners by attending class and participating. Students who read text assignments prior to class will be equipped to participate and will obtain the most from this course. Participation points will be granted or denied depending on how the student exhibits enthusiasm, interest, teamwork, organization, and preparedness.

### **BREAKS:**

One (1) each- ten (10) minute break per five (5) hour laboratory period, will be granted at the discretion of Chef Siegel and permission to leave the kitchen is required. This does not include lavatory visits.

### **DUE DATES:**

To receive full credit, assignments must be submitted by the stated due dates. Late assignments will be not be accepted.

### **TESTS:**

Tests will be given during the semester as announced. Assignments for makeup tests will be made only if faculty is notified by voice mail, e-mail, or personally prior to the test. A score of zero will be averaged into grade determination for any missed test.

### **ACADEMIC INTEGRITY:**

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at [http://life.umt.edu/vpsa/student\\_conduct.php](http://life.umt.edu/vpsa/student_conduct.php).
