STUDENT PERFORMANCE ASSESSMENT METHODS AND GRADING PROCEDURES:
Production and Testing

1. Students will be required to demonstrate daily production assignments requiring pre-planning of methodology and recipes. Recipes must be read and understood by the student before attending class. Students will be evaluated on teamwork, professionalism, mise en place, production guide/timelines, plating diagrams, quality of finished product, sanitation and organizational skills. All assignments, projects and tests will be assigned point values. It is the responsibility of the student to obtain quiz and production competency scores. Weekly tests will be given and graded immediately in class.

2. The quiz schedule and dates are included in the weekly schedule posted in introductory content area of Moodle shell. Quizzes will be written and given during class time. Grading will take place immediately after the quiz is complete. Makeup for a missed test is not offered unless faculty is notified and guidelines are identified for the individual situation before each test. Students may be able to make up a missed test for emergency situations such as sickness or required work activities, but must submit documented excused absences such as a Doctor note identifying excused dates or mandatory work related travel dates in a timely manner.

3. It will be the student’s responsibility to complete the assigned competencies. Upon completion, it will be the student’s responsibility to have Chef Elliott critique to assignment and give feedback to the student on what can be improved, quality standards, etc. At that point, it will be the student’s responsibility to type the feedback and submit the feedback via Moodle Drop Box by the end of the rotation to receive a grade for the competencies.

Grading Scale:
90 - 100 A
Evaluation Criteria:

Tests 30 percent
Notebook 10 percent
Final Project 5 percent
Sanitation 5 percent
Competencies 50 percent

Total: 100 pts

ATTENDANCE POLICY:

Attendance will be taken. Each unexcused missed class will result in a 5-point deduction from final points accumulated. Excused classes (provide doctor’s note/emergency) will result in a 2-point deduction. Late students, or students that leave class early will result in a 3-point deduction from final points accumulated. No make-up is allowed for lab participation. If students are absent for any reason, they will be accountable for any information disseminated and be held responsible for class notes, announcements of tests, and assignments.

PARTICIPATION:

Students must demonstrate teamwork as consistent with industry. This is necessary as students contribute to the learning environment and become active learners by attending class and participating. Students who read text assignments prior to class will be equipped to participate and will obtain the most from this course. Participation points will be granted or denied depending on how the student exhibits enthusiasm, interest, teamwork, organization, and preparedness.

ACADEMIC INTEGRITY:

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://life.umt.edu/vpsa/student_conduct.php.

DISABILITY ACCOMMODATION:

Eligible students with disabilities will receive appropriate accommodations in this course when requested in a timely way. Please contact me after class or in my office. Please be prepared to
