Frankel and Ryder to Appear In Student Union Sunday Night

Dancing stars Emily Frankel and Mark Ryder will appear on the Student Union auditorium stage Sunday, April 4, at 8:15 p.m. and not on April 14, as erroneously advertised in Thursday's Kaimin.

Under the sponsorship of the Student Union, the dancing duo of Frankel and Ryder are slated to produce a kind of program that critics say is unique and provocative in the art of dancing. Their program features a dance done entirely to sounds, entitled "Haunted Moments." It is a humorous and horrible fantasy of people and sounds, which demonstrates how the ordinary sounds of living-telephones, trains, clocks, compel people to act.

Frankel and Ryder have been acclaimed by critics as the "most gifted and engaging duo among America's younger dancers." In their approach to choreography and theatrical presentation, they bring to the public a combination of drama and dance, humor, satire, folk, jazz, ballet, and fantasy.

Bond to Repeat Alaskan Films

Jim Bond, wildlife expert, will again show his Alaskan films in the Student Union auditorium at 8 p.m., Saturday.

A packed house of 1,700 persons with 600 persons turned away at the Alaskan-Yukon wilderness show Wednesday night made Mr. Bond decide to do a repeat performance.

The program consists of three color films, "Alaska's Leaping Rainbows," "Those Kodiak Bears," and "The Happy Hunting Ground," taken by Mr. Bond. The films have been shown in 20 states, mostly in the West. This is the fourth year the program has been shown in Missoula.

Doors open at 7 p.m. Saturday and the two-hour show will begin at 8 p.m. Western Montana Fish and Game association is sponsoring the program.

AF Band to Furnish Music At Military Ball Saturday

The 695th Air Force band, stationed at Great Falls Air Force base, will be in Missoula tomorrow night to perform for the 15th annual Military ball in the Bitter Root room of the Florence hotel. The ball, to begin at 8:30 p.m., is being sponsored by the MSU ROTC department.

The band will also play a jam session in the Gold room of the Student Union beginning at 3 p.m. tomorrow. There will be no admission charged.

The band will be under the direction of its regular conductor, Chief Warrant Officer Sheldon W. Henry, and it is visiting Missoula in response to the many requests for a return engagement after its performances for the Bibler Bounce ball last April. Montana State University is included in a tour of three Montana schools: the School of Mines, Butte, Montana State college, Bozeman, and MSU.

The 695th is made up of several separate units within the one band. There is the concert band, a dance band, the Keynotes (a small jazz combo) and the German band. Only the Keynotes and the dance

Three Wheels Break Ground For New SU

Ground breaking for the Student Union-Commons building was held yesterday at 10 a.m. with ASMSU President Norm Anderson, ASMSU Business Manager Peder Hoiness, and Student Union President Tom Van Meter wielding the shovels.

The ceremony was held near the steam shovel which demolished the music practice building Wednesday, with debris from the building burning in the background.

Van Meter said, "This building will stand as a tribute to those who worked on it in the past, to those who planned the details, and to those who will use it in the future. It is truly a monument to the students of MSU."

A few years ago when it was decided MSU needed a new Student Union three possibilities were studied: (1) a new, separate building, (2) remodel the old building, and (3) combine the Student Union with a Field House.

These possibilities were discarded and on Nov. 18, 1953 students voted 492 to 232 to combine the Student Union with the Commons. This combination was suggested to the Student Union executive committee on Oct. 23, 1953 and soon afterwards students were crying for the vote.

Construction has started and there is a possibility the Student Union wing will be ready for use by the end of next winter quarter.

1954-55 Budget Proposals OKed by Budget-Finance Outside Entertainment Cut

Budget and Finance committee yesterday passed five recommendations concerning the 1954-54 ASMSU budget for Central board's consideration.

The five recommendations were that: (1) the Kaimin should be budgeted at the same 6.3 per cent as this year, (2) Outside Entertainment committee should be cut .2 per cent to 1.8 per cent and that all but \$100 of any carry over be transferred to the general reserve fund, (3) Venture should be allowed the same 1.3 per cent of the budget, (4) accounting should be allotted 6.5 per cent as in the past and (5) athletics should receive the same 48 per cent as in this year's budget.

Joan Brooks, St. Ignatius, Kaimin business manager, Prof. Edward Dugan and Bob Newlin, Lewistown, Kaimin editor, presented the estimated budget for the Kaimin's operation next year. According to Prof. Dugan, the Kaimin faces a possible deficit of about \$975.

Miss Brooks said that the Kaimin still has \$700 in its reserve fund which was given last year in anticipation of a deficit of about \$1,400.

Kaimin Gets 6.3

Don Chaney, Livingston, moved that the committee pass a recommendation that the Kaimin's percentage remain at the 6.3 per cent level and that the \$700 be kept in the reserve to pay any deficit next year.

Pat Eyer, Billings, chairman of Outside Entertainment committee, asked that the allotment of budget funds to his committee remain at two per cent.

Eyer said that most of his committee's money went toward subsidizing the 400 Community Concert tickets made available to students in the fall at a reduced price. The other activities of his committee are mostly self-supporting. Eyer reported that the movie series operated in conjunction with the Student Union Film

committee has shown a profit thus far.

Outside Entertainment Cut

Because the new Student Union will necessitate combination of some committees necessary for coordinated action, including Outside Entertainment, Wally O'Donnell, Havre, moved that Outside Entertainment be cut to 1.8 per cent and that \$100 be left in their reserve to help make up the other .2 per cent. The motion passed unanimously.

Peder Hoiness, Billings, ASMSU business manager and chairman of Budget-Finance, reported that Venture was asking for the same amount but that an increase of issues from two to three was planned. O'Donnell's motion that Budget-Finance recommend the same 1.3 per cent was passed with the stipulation that at least two issues be published.

Badgely Requests Increase

Hoiness also reported that Kirk Badgely, University auditor asked Budget-Finance to increase the athletic appropriation from 48 per cent to 50 per cent and to decrease the accounting allotment two per cent.

This was to be just a bookkeeping measure since the two per cent was to be transferred to the accounting department. Badgely asked that this be done so that athletics would have, at least on paper, the 50 per cent of the ASMSU budget which has been pledged to back up the Field House bonds.

Judy McCullough, Missoula, objected to the measure saying that a dangerous precedent might be set and that the athletic department might eventually lose sight of the purpose of the change. The board voted to retain the present percentages of 48 per cent to athletics and 6.5 per cent to accounting.

Although no decision was reached, the four board members had a lively discussion on the problem of skiing. Sentiment seemed to be in favor of putting skiing back in the athletic department, with the necessary funds to come from the athletic budget. However, there was also indication that there was some feeling that skiing should be eliminated entirely. The question was tabled until the next meeting Monday.

Pictured above is the brass section of the 695th Air Force band, stationed at Great Falls AFB. The brass section will be part of the dance band play-

ing for the Military Ball tomorrow night and part of the Keynotes, a jazz combo, which will play for a free jam session tomorrow at 3 p.m.

VENTURE CRITIC DEFENDED: GIBB'S REMARKS QUESTIONED

Dear Editor:

It was cunning of Sidney Gibb to "enlighten Mrs. Larom's university level literacy" (whatever that means), when he was possibly just trying to be funny or confusing or something; anyway, Mr. Gibb is too bombastic for anyone to be really certain. Apparently Mr. Gibb has had a difficult time with two of Mrs. Larom's sentences; these two: "If the purpose of Venture is to be a campus humor magazine, then the general quality of its humor needs improving. However, we believe that the magazine must and should have a more serious intent." From these sentences Mr. Gibb forms two extraordinary conclusions: 1. Mrs. Larom "maintains a very frivolous outlook on the purpose of Venture (the key to this uneasy clause seems to be in the position of frivolous-try shifting the word about); 2. Mrs. Larom only likes 'college 'humor' magazines." It is

difficult to see just how Mr. Gibb reached these points. Strange.

Although it is obvious to everyone that Mr. Gibb does have "guts" there was no reason for Mr. Gibb to be so nasty about Mrs. Larom's qualifications as a critic; Mrs. Larom is probably as well qualified as anyone. She (her maiden name was Alice Anne Buls, by the way) has previously been an editor and contributor to Venture. Mr. Gibb will also be glad to hear that Mrs. Larom was not trying to be frightening or vindictive; she was just writing the review which had been requested by the Kaimin.

Sincerely yours,

Faculty Is Victor In Bowling Bout

Administration Faculty bowlers downed the Physical-Education squad 3-0 Tuesday night, for the only three-game win of the evening. Winning two games apiece were Air Science over Business-Administration, Humanities over Chemistry-Pharmacy, and Journalism over Natural Science.

Ed Dugan of the Journalism squad paced his team to the high series of 2315 and the high game of 858 by copping the high individual honors with 549 in the high series and 204 in the high individual game.

The present standings now indicate that the Journalism school is within two games of Physical Education by virtue of PE's loss of three games and Journalism's win of two. Three weeks of play in the current series yet remain.

SN, SX, Sodbusters Triumph In Third Round I-M Playoffs

BY CHUCK THOMPSON

Sigma Nu, Sigma Chi and the Sodbusters fought their way past third-round opponents in last night's Intramural basketball playoffs.

In the first game, the once-defeated Sigma Chis whipped the Kubabes 49-34, eliminating the Kubabes from the play-offs. Bob Buchanan and Dick Shadoan led SX with 15 and 12 points respectively. For the Kubabes, Bill Ryan was high with 10 while Don Pehlke was second with 7.

In the second game, the Sodbusters eliminated the No Names 49-44. Johnson and Gerike scored 15 and 10 points to lead the Sodbusters, while Ron Van Hee was the game's high scorer with 19 for the No Names.

In the last game, Sigma Nu remained undefeated in tourney play by trouncing Phi Epsilon Kappa 52-31. It was PEK's first loss this year. Ron Farrell was high for SN with 18 points. Howard Burke had 11. For PEK, Bill Harger scored 15.

Things to Come

The Sodbusters pulled an April fool joke on us last night and again ruined some predictions. The first night we called three of four correctly, the second night we picked the winners in two games.

Then, last night, the Sodbusters who managed only a third-place finish in League C, beat the second-place League B team, thus retaining their darkhorse position.

However, tonight, the Sodbusters will have to play SX again, and although we aren't going to predict another runaway, we believe that SX will win the return engagement—but by not more than a very few points. Game time is 7 p.m.

Football Players Drill in High Wind

Hampered by strong winds, Grizzly spring football players ran through a stiff practice session yesterday. Coach John Zeger put the linemen through extensive blocking drills while Coach Ed Chinske worked the backs on tackling and pass defense. Practice concluded with three squads running plays.

Dick Imer, all-Skyline halfback reported for practice after dropping baseball.

"We've got to learn our plays," line coach Zeger said. "Otherwise there's no sense in scrimmaging."

The tentative first eleven so far has been Marlyn Jensen at center, Howard Burke and Doug Dasinger at guards, Don Little and Paul Weskamp at tackles, and Pete Muri and Ken Byerly at ends. The backfield consists of Paul Enochson at quarterback, Dale Shupe and Billy Gue at halfbacks and Curt Milne at fullback. However, as Chinske said, all positions are open and there are several lettermen not out due to other sports or injuries.

Adams Possesses Outstanding Mark As Track Coach

BY JIM HASLIP

Harry Adams, who started coaching at MSU in 1921, has established himself as one of the most widely noted track coaches in the West.

He graduated from MSU in 1921. During his four years as a Grizzly, he earned four letters in football, one in basketball and one in track. He was a member of the 400-yard sprint relay team that once held the world's record.

Following his graduation, Adams assisted in coaching football, basketball, and track at Montana for three years. He then went to DePaul university in Chicago where he was head coach from 1924-1925.

Adams returned to MSU where he has remained except for a five-

year hitch in the army during World War II. He held a Reserve Officer commission as colonel.

Among the stars Adams has coached is Dick Doyle, National Collegiate discus champ in 1950. Others include Jack Emigh and Russ Sweet in the sprints, Mike Fleming and Bill Rife in the middle and distance runs, Joe and Jack Luckman in the broad jump and shot put, Fritz Krieger and Gene Clawson in the javelin and discus throws.

Adams has guided his track squads to victory in 63 per cent of their dual meets since 1933, when he became head coach. In three seasons of Skyline competition, the Grizzlies have won six of nine dual meets, captured the Western Division crown once, and placed second twice. In conference meets they have taken second and two thirds.

Debate Team Tops 35 Entries; Ties for First in TKA Contest

MSU's debate team tied for first place this past week end in the national Tau Kappa Alpha debate tournament, marking the first time since 1939 that the University team has won this honor.

Byron Robb and Don Chaney, both of Livingston, composed the team that defeated 35 other debate teams at the national TKA Forensic honorary tournament, in Kalamazoo, Mich. The local team tied with Universities of New Mexico and Alabama for top honors. Ralph Y. McGinnis, assistant professor and debate coach, accompanied the team on the trip.

"Resolved that the U. S. should adopt a policy of free trade," was the proposition of the debate and MSU lost only once, in the affirmative, during the debates. In order to reach the finals, the debate team defeated the universities of South Dakota, Arkansas, and Tennessee, St. Cloud College of St. Cloud, Minn., and Alma college of Alma, Mich.

Robb, a junior majoring in business and law, received a \$250 scholarship from the Bankers Association last year and has competed in debates for the Montana state championship, a Pocatello, Ida., meet, with Oxford traveling squad last fall and other speech activities.

Chaney, also a junior business major, participated in the Western association tournament in Fresno, Cal., and deals specifically with oratory. He is entered in the annual MSU Aber oratory tournament scheduled for April 14.
