MS 203 – Training for Ranger Challenge

Fall Semester 2002

1. **Course Description:** Military Science 203 is a 2-credit course that focuses on preparing a team or teams for the annual Big Sky Task Force Ranger Challenge Competition. The course includes practical hands-on training in rope bridging, land navigation, employment and identification of hand grenades, weapons proficiency, and intense physical conditioning. Scheduled class period is 1500-1700 on Thursday outside Schreiber Gym. Physical training is also required for the course and is conducted Monday through Friday from 0600-0730 at Schreiber Gym.
2. **Course Objectives:** The primary focus of this course is to prepare a team or teams to compete in and win the annual Ranger Challenge competition. Students will come away from this course with a better understanding of their own personal physical abilities and limitations as well as fundamental small-unit leadership and tactical techniques.
3. **Course Requirements:**
  - a. **Class attendance:** Students are required to attend all scheduled instruction and must obtain permission from the instructor prior to missing any training. Attendance is expected during both the weekly class session as well as the daily physical training sessions.
  - b. **Competition Participation:** By registering for the course all students are obligated to attend and compete in the annual Ranger Challenge Competition if selected for the team. This competition is scheduled for 5 October 2001 in the Nine Mile National Forest located 30 minutes west of Missoula.
4. **Course Evaluation:** This course can be taken for letter grade only. Grading criteria are as follows:

a. Attendance: Class/PT	10%	100 Points
b. Competition Results	50%	500 Points
c. Instructor Evaluation of Effort	40%	400 Points
TOTAL	100%	1000 Points

5. **Grading Scale:**
  - A = 900-1000
  - B = 800-899
  - C = 700-799
  - D = 600-699
  - F = 0-599

6. Course Administration:

- a. Office Hours: Normal office hours are from 0830-1700 daily. If any problem exists you are welcome to stop by, call me at home (406) 549-1428, or at the office (406) 243-4533 at any time.
- b. Additional training: Additional training may be offered from time to time outside of normal class hours while preparing for the competition. This opportunity is offered voluntarily and should not be seen as a mandatory portion of the course instruction.
