Levison: Specific Clinical Course Requirements
PT 590 Clinical Internship IV - Summer 2002
Requirements - The student will:

- A. Supply to the ACCE, at least 2 weeks prior to the end of spring semester, copies of Student developed behavioral objectives (relate to CPI – PC)
- B. Send to CI at least 2 weeks prior to internship:
 - 1. Cover letter
 - 2. Student Data Form
 - 3. Student Self Assessment Form
 - 4. Student developed behavioral objectives
 - 5. Any other required information, (medical records, proof of insurance, background check information, etc)
- C. Complete 320 hours where assigned.
- D. Meet during the first day with the CI and/or CCCE to review and revise objectives as needed.
- E. Maintain a clinic journal that includes:
 - 1. Description of patients exposed to.
 - 2. Identification of clinical patterns for specific pathologies/diagnoses/problems.
 - 3. Record of key skills or knowledge exposed to.
 - 4. Reflection on how you are progressing with your clinical internship.
 - 5. Plans, reminders, goals, etc to help stay organized.
- F. At mid-term:
 - 1. Complete a mid-term CPI self-assessment and share it with the CI.
 - 2. Review and discuss the CPI assessment done by the CI.
 - 3. Revise your behavioral objectives for the second half of the internship with CI's input.
- G. At end of Clinical Internship:
 - 1. Complete a final CPI self-assessment and share it with the CI.
 - 2. Review and discuss the final CPI assessment done by the CI.
 - 3. Complete a Site and CI evaluation and share it with the CI.

4. Make sure that ACCE receives your CPI, CI - CPI, and Site and CI evaluation **ASAP** (no later than 1 week of the completion of the internship).

H. The student will be automatically assessed for the need of either remedial action, the awarding of a no-pass grade or the dismissal from the course if any of the following occurs at the final assessment:

1. Have a score of less than 100 mm on any one of the PC 1-5.
2. Have a mean score of less than 97 mm on the VAS for PC 6 – 24.
3. Have three (3) or more of the scores for PC 6 –24 fall below the 90 mm mark.
4. Have a “significant concerns” box checked.
5. Receive written or verbal comments from the CI or CCCE that reflects significant concerns the student is not performing at a level expected.
