## GOALS

At the end of the year, you should be able to express yourself well in simple French. You should be able to use the present, past and future tenses. The method that will be used emphasizes speaking and listening. It is indispensable that you be present every day that the class meets. The classroom is your primary source of information and practice. Communication in class will be in French, although questions may be asked in English during the last few minutes of class.

## GRADES

Your grade will be assessed according to your classroom participation, attendance, quizzes, homework, chapter exams and final exam. Quizzes and exam dates will be announced. **If you are absent, these will not be made up. You will receive a zero unless you bring a written excuse (a note from the doctor, for instance.)**

Your final grade will be calculated as follows:

20% Class grade (attendance and participation)

15% Quizzes

30% Exams

20% Homework

15% Final exam

Grade scale: A=90-100, B=80-89, C=70-79, D=60-69, F=59 and below.

Pass/Not pass: a D is a pass.

**Practice opportunities:**

Meetings of the Cercle Français will be announced in class.
