Hulbert, Crepeau, Berry, Moore, Edgerton Named Kaimin Aides

Five Kaimin associate editors were named by Central Board at last night's meeting.

Four of the new associates were named for three quarter terms, while the fifth was named for spring quarter only.

DICK EDGERTON

Ted Hulbert, freshman from Cut Bank, was named news editor. Hulbert has worked as a reporter-photographer for the Cut Bank Pioneer-Press for a year and will work for the paper as news editor this summer.

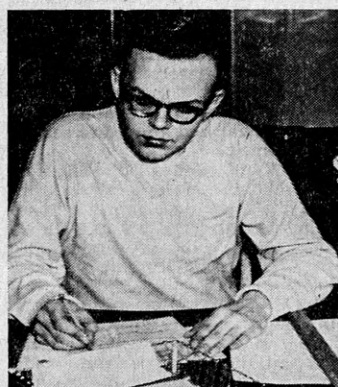

Hulbert has written copy for the Interscholastic Editorial Association's newspaper, The Editor. He received the Sigma Delta Chi award for excellence in news writing last year.

Frank Crepeau was named sports editor. He is a transfer from Northern Montana College where he was editor of the NoMoCo.

Jim Berry, present sports editor, was named as campus editor. Berry has worked for the Miles City Star and is a junior in the journalism school.

Dick Edgerton was selected as feature and photography editor for the next three quarters. He has been the Kaimin photographer for four quarters. Edgerton did commercial photography while in the service.

Jewel Moore was named the fifth associate. She will handle society news. Miss Moore is a junior in journalism and transferred here from Eastern Montana College of Education. Her position is for one quarter.

ASMSU Elections, J-Council, NSA Contest, C-Board Topics

Approaching ASMSU elections and the set-up of interviews for new appointees for Judicial Council, were among the topics discussed at last night's Central Board meeting.

It was also decided to enter a student government contest sponsored by the United States National Student Association, which is to deal with projects in student government that increase the training of student leaders.

A letter from Mary Lee Neil, Director of International Student Relations Seminar was received and it was disclosed that three MSU students had been selected to attend a seminar in Ellensburg, Wash., March 29, 30, and 31.

John Higham, Roger Baty, and Genell Jackson were selected to attend the International Student Relations Seminar at Ellensburg, Washington on March 29, 30, and 31. Miss Jackson will be unable to attend, as she will be working at this time.

Travel expenses will be paid for the students by ASMSU, and the NSA will assume the food and housing expenses. The students were chosen on the basis of highly competitive selections.

ASMSU Elections
Petitions are available in the Lodge for those people wishing to enter the race for ASMSU officers and class delegates.

Primary elections are scheduled to be held April 25, and the final elections May 2. Petitions must be turned in by April 6 at the Field House. They must be signed by at least 15 people eligible to vote for the office that the petitioner is applying for.

The offices which will be open are: ASMSU president, vice president, secretary, and business manager. Also open are positions for two delegates from each class.

Qualifications for the offices are: The president and vice-president must have attended the University seven quarters and must have at least 90 quarter credit hours at the time of election.

The business manager and secretary must have attended the University five quarters and must have at least 60 quarter credit hours at the time of election.

Class delegates must be members of the class they represent according to credits, at least two quarters of the year for which they seek election.

J-Council
Students wishing to apply for positions on Judicial Council must have their petitions filed by 5 p.m. Thursday afternoon, April 4.

Candidates for positions on the Council will be interviewed and screened by Central Board. The members will be chosen during the first two weeks of Spring quarter.

Interviews for Junior members of the Council will take place in the Lodge from 7 to 10 p.m. Thursday night, April 4. Candidates for Senior members will be conducted the following Tuesday, 9 April, from 7 to 10 p.m.

The first annual Student Government Contest, sponsored by the

United States National Student Association and the National Self-Government Committee will be held this year.

A \$100 Richard Welling memorial prize is to be offered annually for the next three years. This prize will honor the student government judged to have developed the project or program which best accomplishes the objectives of developing student leadership.

Sabre Air Flight Pledges Members

Sabre Air Flight, honorary society for basic AFROTC cadets, pledged 24 new members last week. All of the new pledges are freshmen.

To be eligible for the society the basic cadets must have an over-all University grade average of "C" or better and at least a "B" average in their AFROTC subjects.

The pledges are: Duane Adam, John Kerns, Glenn Hickethier, Leonard Sargent, Robert Arnot, Richard Raisler, Guy Connolly, Paul Bennett, Dan Rice, George McNailey, John Ginter, Larry Taylor, Dan Balko, James Kruse, William Jackson, Joseph Callahan, John Kobseff, Edwin Briggs, John Erickson, Jake Braig, Gerald Miller, Gilbert Smith, and Garry French.

Doctors Check Eisenhower's Chest, Sinuses

WASHINGTON (AP) — President Eisenhower went to Walter Reed Army Hospital yesterday for another examination of his chest and sinuses.

His doctors reported afterwards that his condition showed continued improvement. Mr. Eisenhower spent about an hour at the hospital and then returned to the White House.

The President is suffering from a head cold, a cough and inflammation of the Eustachian tube of his left ear. Yesterday's examination was similar to the one he had Feb. 21. Doctors took chest and lung X-rays and examined the President's sinuses with an illuminated probe.

White House News Secretary James Hagerty said the tests showed the sinuses and the chest and lungs to be clear. Hagerty reported Mr. Eisenhower still has a slight cough, a slight head cold and a slight inflammation of the Eustachian tube.

Hagerty said earlier Mr. Eisenhower has "almost" made up his mind where he will spend his Florida vacation. The President is planning a brief stay in Florida before he leaves later this month to meet British Prime Minister Macmillan in Bermuda.

Senate Republican Leader William Knowland denied reports that members of Congress have a hard time getting interviews with Mr. Eisenhower. Knowland told newsmen that congressmen always can reach the President by phone or make an appointment through his staff.

Personal Tax Exemptions Reduced 40%

HELENA (AP) — Gov. J. Hugo Aronson signed into law nine bills yesterday, including three which are expected to bring more than five million dollars into the state treasury during the next two years.

One of the three measures reduces to \$600 from \$1,000 taxpayers' income tax exemptions. It is expected to raise two million dollars during the biennium as is another which became law with the Governor's signature.

It provides a general tax rate increase of 40 per cent and is also expected to bring two million dollars into the state coffers.

The third measure is expected to bring in approximately \$165,000 from increases to five percent from three per cent taxes on corporation licenses.

The Governor vetoed a bill that would have authorized creation of county park districts and contained provisions for election of park commissioners and for submission of bond issues to taxpayers.

Aronson said he vetoed the measure because it "contained no provisions limiting its applications to territories outside the corporate limits of cities and towns."

Other bills signed by the chief executive would:

1. Appropriate \$35,000 for a 10-member tax and education interim study committee appointed by the Governor.

2. Extend the seven cent gasoline tax to Jan. 1, 1958, after

Nakamura To Participate In Biological Symposium

The chairman of the MSU Department of Bacteriology, Dr. Mitsuru Nakamura, is one of nine civilian experts selected from various universities to participate in a symposium March 16-22 at Walter Reed Army Hospital in Washington, D.C.

The symposium is sponsored by the Office of the Surgeon General, and will be conducted by two commissions of the Armed Forces Epidemiological Board. Current research developments in various aspects of environmental hygiene and enteric infections will be discussed.

Military Ball Set For Spring Term

The annual Military Ball, sponsored by the ROTC Department, will be April 6 in the Silver Bow room of the Lodge, according to Gary Sorensen, Army ROTC publicist.

This year the Coed Colonel will be chosen from candidates nominated by the women's living groups. Last year the candidates were selected from Sponsor Corps members. This group recently became an auxiliary of the Air Force ROTC Department.

The woman chosen Coed Colonel will receive a silver loving cup. The traveling trophy will be kept by the living group who has a winner three years in succession. A miniature of the traveling trophy will be given to each new Coed Colonel.

The dance is open to all students.

Russians Spend \$3 Billion Yearly For Propaganda

WASHINGTON (U)—Russia spends three billion dollars a year to flood the world with Red propaganda, congressional investigators revealed yesterday.

Rep. Morgan Moulder said that 400 million dollars of this is being spent in India alone. The Missouri Democrat is chairman of a House Un-American Activities Subcommittee investigating the Communist propaganda mill in the United States.

At subcommittee hearing yesterday, a deputy customs collector for the Port of New York called for laws requiring that propaganda be labeled as such upon entry into the country. Irving Fishman said that many tons of suspicious mail entered the United States last year, much of it aimed at American college students.

At the same time, Arthur Larson, head of the United States Information Agency, said the West will win its battle with Communism if it gets truth to the right people. Larson said the fate of the world is in the hands of a new class of educated people emerging in new nations and in Communist countries.

Baseball Team To Pay Way For Idaho Practice Session

By RON MUNGER

If the desire to play baseball means anything, the Silvertips should cop the Skyline baseball title this spring.

A few weeks ago it was announced by baseball coach Hal Shrebeck that the baseball team would hold a training session during spring vacation at Lewiston, Ida.

Last week the Athletic Department said it would be unable to send the team because of low funds in the athletic budget.

The baseball team, hoping to make a strong showing in the Skyline this spring, decided to pay the expenses.

An agreement was finally reached between the team and the athletic department. The Athletic department will pay the mileage expenses to and from

Lewiston. The members of the team will pay two dollars a day for the eight day trip. This is expected to cover board and room in Lewiston.

The Grizzlies have two games scheduled with the University of Idaho during this eight day session. Contests tentatively are scheduled with Whitman and Washington State College.

If the Grizzlies can play four or five games and get some good practice sessions, they should make things very tough for other teams in the Skyline Conference.

Sherbeck and 16 players will leave by car for Lewiston March 23. They plant to return April 1.

Air Flights Halted By Bomb Threat

NEW YORK (U)—The telephone in the Trans-World Airline office rang yesterday, and the clerk who answered it heard what sounded like a child's voice on the other end.

The voice said a bomb was planted on a TWA airliner. The voice added: "You had better get it off." Then the caller hung up.

The airline figured it might be a child's prank, but it was in no position to take a chance.

Five planes which left New York before the call were ordered to land immediately in Pittsburgh, Baltimore, Cleveland, Detroit and Philadelphia. Airline and police officials swarmed aboard to search for a bomb.

All TWA planes scheduled to leave the three main airports in the New York area were held up for a search.

At last report yesterday, no bomb had been found on any plane.

In Cleveland, the minute the plane was down, crew members fixed up an emergency canvas slide, so the 22 passengers could tumble out of the cabin to the ground. Then the plane was wheeled at top speed to a remote part of the airfield. Experts from the airline, the Civil Aeronautics Authority, the Cleveland police and the FBI swarmed aboard. Nothing was found.

Westminster Foundation Elects Officers at Meeting

Westminster Foundation, Presbyterian student group, elected officers at their regular meeting last Sunday evening.

New officers elected are: Linda Copley, moderator; Jack Upshaw, vice moderator; Dorothy Dunbar, stated clerk; Walter Thornton, treasurer; Nancy Ruckman and Rich Martin, co-faith chairmen; Nancy Nelson, fellowship.

Georgiana Hall and John Hill, food chairmen; Bob Arras, interfaith council delegate; Kay Cronk and Prue Morak, co-outreach chairmen; and Milt Hansen, Religious Emphasis Council delegate.

The Rev. Richard Jones, minister of the First Presbyterian Church in Missoula, is the group adviser.

Meetings Attract Faculty Members

Five University faculty members are attending professional meetings this week.

Prof. E. A. Atkinson of the Psychology Department will address the Montana Society for Mental Health which is meeting in Livingston this weekend.

Prof. E. B. Dugan of the Journalism School spoke on public relations at a Fish and Game Department meeting in Helena yesterday. George P. Dahlberg, director of athletics, will attend the state basketball tournament in Butte tomorrow through Sunday.

Dr. John Krier, assistant professor of forestry, is in Spokane, Wash., attending a two-day meeting of the Northwest Wood Products Clinic, which closes today.

Dr. Lendal H. Kotschevar, chairman of the Home Economics Department, left Missoula yesterday for Bayonne, N.J., where he will serve as consultant to the Navy at the Navy Supply Research and Development Facility.

Crisis Develops As Egypt Insists On Running Gaza

By UNITED PRESS

Capital cities all over the world are filled with a sense of crisis because of a semi-barren strip of land called Gaza.

The U.N. has it, Egypt insists on taking it over immediately, and Israel warns it will never permit Egypt to return.

In Washington the State Department issued a special statement urging Egypt and other countries to cooperate fully with the United Nations to save the peace.

In London Prime Minister Harold Macmillan called his cabinet into urgent session, and a London newspaper carried the headline, "Here We Go Again."

In New York U.N. Secretary-General Dag Hammarskjöld called his seven-nation advisory committee into session for the second time in 24 hours.

In Cairo Assistant Secretary-General Ralph Bunche met with top Egyptian officials to try to persuade them at least to delay their attempt to return to Gaza.

In Jerusalem a foreign office spokesman said that if Egypt does insist on installing a governor-general in Gaza, then Israel will be free of the obligations it assumed when it pulled back its troops last week.

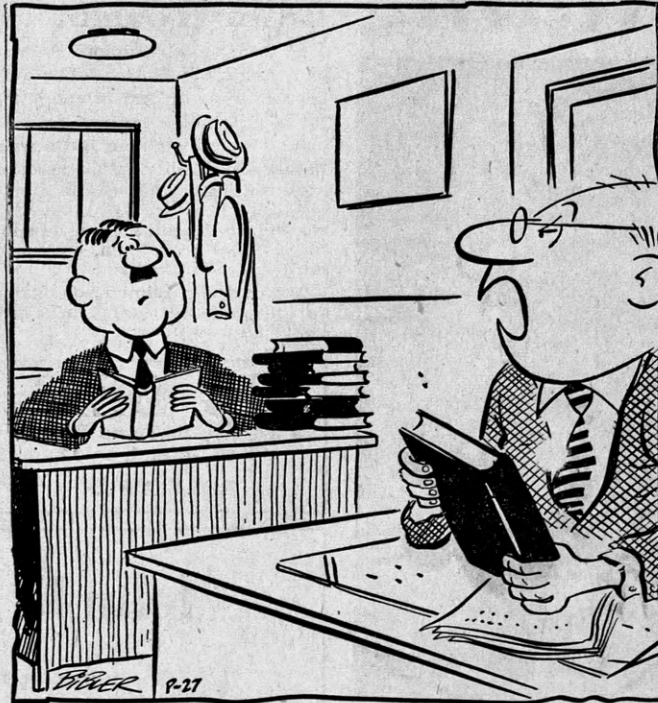

Israeli Foreign Minister Golda Meir sent urgent word to Israeli Ambassador Abba Eban in Florida, directing him to return to Washington at once.

Mrs. Meir also called to her Jerusalem office the American and French ambassadors, reportedly to inform them Israel intends a show-down on its right in the Suez Canal.

The canal is open now to very small ships and U.N. Salvage Chief Raymond Wheeler said it will be open to all shipping by April 10.

Frightened Soldier Killed In Training

FT. CARSON, Colo. (AP)—A frightened soldier taking basic training at Ft. Carson was killed yesterday when a hand grenade exploded in his hand.

The Army said the fragmentation-type grenade blew off the right hand and forearm of the trainee, Pvt. Robert H. Willhelm, 22, of Fort Worth, Texas.

Louis Robinson Jr., a training sergeant who was in the grenade pit with the Fort Worth soldier, was critically wounded by the blast.

An army spokesman said Willhelm had thrown several unloaded practice grenades over a concrete wall near the training pit. He was given the live grenade but was frightened to the extent he could not toss it away.

The Army said the accident was the first major one since the Ninth Infantry Division arrived at Ft. Carson last fall.
