SAF MEETS WEDNESDAY

MISSOULA--

The Missoula Chapter of the Society of American Foresters will conduct its regular monthly meeting Wednesday (March 20) instead of last Friday (March 15) because of schedule conflicts.

President Bob Lamley, Anaconda Forest Products Division, said the dinner, starting at 6:30 p.m. in the Club Chateau, would feature a ladies night program and a film.

Mrs. Jane Shull will demonstrate creative art in ceramics. Her demonstration ceramic plus two others will be awarded as door prizes to the ladies.

Byron Grove, Northern Pacific district forester, will present a film entitled "The 4 Dot." Featuring the last run of the Shay locomotive, the film was produced by the St. Regis Paper Co.

The Missoula S.A.F. chapter was the first regional chapter. Its establishment in 1912 followed the S.A.F. formation by 12 years and preceded the charter of the School of Forestry, Missoula, by one year.
