GRADING:

1. There will be four multiple-choice exams of approximately equal weight.
2. Grades will be determined separately for each of the exams. The last exam will not be comprehensive. The lowest score on exams #1, #2, or #3 will be dropped. All students, however, will take Exam #4 and it will be counted. The final grade, therefore, will be determined by adding the cutoff scores of the higher two of the first three exams and the final.
3. Full credit will not be given for an exam missed by a student (other than the exam to be dropped) unless:
 - (a) the instructor is contacted in person (face-to-face or by telephone) but not through messages,
 - (b) prior to the examination, and
 - (c) unless there is a valid reason for missing the exam.
Even if you are "sick" you must still contact me.
 - (d) A doctor's verification that you were unconscious will also suffice.
4. An incomplete will not be given for not doing well in the class or dropping after the deadline.
5. I DO NOT POST GRADES!!
