COURSE OBJECTIVES

This course is intended to help students:

- Learn communication skills that can be applied to achieve professional goals now and throughout one's career;
- Learn communication strategies that are useful for conducting business meetings and engaging in successful negotiations;
- Become familiar with conflict resolution strategies that promote teamwork;
- Learn effective public speaking skills;
- Recognize the importance of nonverbal communication cues;
- Develop cross-cultural awareness and communication skills required for the globalized workplace;
- Practice using PowerPoint in delivering business presentations;
- Practice employment interviewing through role playing;
- Learn specific writing techniques and organization strategies for composing clear, concise, and purposeful business messages and reports;
- Practice composing routine letters/memos/e-mail messages, goodwill messages, negative messages, persuasive messages, application letters, and various types of business reports;
- Learn specific techniques for developing persuasive resumes;
- Recognize the importance of rewriting and editing in professional communication;
- Apply acquired business writing skills through a capstone simulation project;
- Cultivate professionalism.

(Skill Builders: Vocabulary, Spelling,
& Sentences)

COURSE REQUIREMENTS

- Read all of the chapters in *Business Communication: Process and Product* and complete eight open-book on-line quizzes.
- Complete written assignments and submit them prior to end of class on the date due. Written assignments must be prepared according to one of the conventional formats. The due date of each assignment will be announced in class. Late papers will receive a letter-grade reduction and will not be accepted after the next class.
- For each class, bring your own 3.5" disks to use in the lab.
- Prepare an 8-to-10-minute PowerPoint presentation. Report on what you learned from reading and from your overseas correspondent regarding a topic related to business or business communication.
- Participate with a serious learning attitude in all in-class skill-development activities, such as simulations, role playing, document analysis, writing exercises, and interactive lectures. Note that participation and attendance constitute a substantial portion of the final grade. Missed in-class assignments cannot be made up.
- Complete the capstone simulation project.
- Earn extra credits by submitting a portfolio of six revised assignments.
