CLARKE SPEAKS AT UM THURSDAY

MISSOULA---

Arthur C. Clarke will discuss "The Promise of Space" at 8 p.m. Thursday (May 23) in the University Theater at the University of Montana.

The public lecture is sponsored by the Associated Students at UM. There is no admission charge.

Clarke, a noted author, is inventor of the communications satellite. He is co-author of the book and film entitled "2001: A Space Odyssey."

Having an intense interest in the sea, Clarke has been exploring the depths of Australia and Ceylon since the early 1950s. He has written numerous items related to his underwater explorations, many of which have been published in such periodicals as Reader's Digest and Holiday magazine.
