718 SCHEDULED
TO BE GRADUATED
AT U SUNDAY

MISSOULA---

A total of 718 students are scheduled to be graduated in the 71st annual commencement exercises Sunday (June 9) at the University of Montana. Graduation ceremonies begin at 2 p.m. in the Field House.

The graduation list released by the office of Leo Smith, UM registrar, includes 616 bachelor's degree candidates, 59 master's degree candidates and nine doctoral candidates. Thirty-three students also are slated to receive the Juris Doctor degree and one the Bachelor of Law's degree, which are advanced professional degrees.

UM President Robert T. Pantzer is slated to address graduates Sunday during the commencement exercises.

The total number of graduates this spring represents a gain of 79 (12.5 per cent) over the 639 who were graduated spring quarter a year ago.

Former UM students who were graduated during the past academic year are permitted to return to the Missoula campus each spring quarter to participate in commencement.

The UM Commencement Program this June lists 1,242 candidates for degrees for the current academic year.

A list of the 718 students slated to receive degrees Sunday follows.
