COMPUTER SEMINAR
TO BE HELD
IN KALISPELL JULY 26-27

MISSOULA---

A two-day conference, titled "A Seminar on Practical Applications of Computers for Management," will be held July 26-27 at Hennessy's restaurant in Kalispell. The program is sponsored by the Office of State Technical Services at the University of Montana, Missoula.

The seminar will emphasize determination of uses for computers and will include discussion of the advantages and disadvantages of automation in Montana businesses.

Speakers of the conference include Gary McLean, senior consultant for the Seattle firm Touche, Ross, Bailey & Smart, and George Anderson, C.P.A., of Anderson & Zur Muehlen, Helena.

Information on registration for the program can be obtained from the UM Bureau of Business and Economic Research.
