### CHILDREN'S ART CLASSES SLATED

Experimental film making is one of several media that will be explored by children enrolled in Saturday morning art classes at the University of Montana, according to Rudy Autio, acting chairman of the UM Art Department.

The classes for children from kindergarten through eighth grade will be directed by Richard B. Reinholtz, associate professor of art, who initiated the program two years ago.

Classes will meet Saturdays from 9 to 11 a.m. in the Fine Arts building starting Oct. 12 and ending Dec. 14. A fee of \$4.50 will cover all expenses. Further information is available at the Art Department office.
