AAUW SUPPORTS  
REFERENDUM 65

MISSOULA---

Members of the Montana division of the American Association of University Women have endorsed passage of Referendum 65.

Mrs. Maxine Johnson, Missoula, chairman of the Legislative Committee of the state AAUW division, said division representatives from 15 Montana branches have endorsed without dissent the millage levy for support of the Montana University System.

The AAUW support came during recent meetings of AAUW members in Great Falls and Lewistown.

Commenting on the need for continuing the tax levy, Mrs. Johnson said, "We recognize that the loss of revenue from the six-mill levy would be a serious blow to the Montana University System. In the interest of continuing quality higher education in Montana we feel that it is imperative that this levy be continued."

All AAUW members are graduates of accredited colleges and universities throughout the country. Mrs. Johnson holds a bachelor's degree from Washington State University and a master's degree from UM. She is assistant director of the UM Bureau of Business and Economic Research.
