LECTURER IN BIOCHEMISTRY
TO SPEAK AT UM

MISSOULA---

Dr. Sheldon Margen, professor of human nutrition at the University of California, Berkeley, and lecturer in biochemistry at the University of California, San Francisco, will speak on clinical nutrition on Thursday, November 7, at 8 p.m. in the UM Music Recital Hall.

Dr. Margen has an active interest in the study of human nutrition. His major areas of research include protein metabolism, protein turnover, hormone effects on intermediate metabolism, water and electrolyte regulation and energy metabolism.

Besides teaching and lecturing, Dr. Margen is director of Solano Laboratories, Berkeley, and is nutritionist at the Agricultural Experiment Station at Berkeley.
