The Bozeman Symphony was inadvertently omitted from the list of Montana Arts Council grants released Thursday. The Bozeman orchestra is one of 32 projects that will be awarded grants when the MAC receives federal funds for the 1969-70 fiscal year from the National Endowment for the Arts. The amounts of the MAC grants to Montana programs will be determined by the amount Congress appropriates for National Endowment grants to the states, according to Dr. Charles W. Bolen, chairman of the MAC and dean of the University of Montana School of Fine Arts.
