Course Description:  
Scenery Construction is a course designed to develop skills and knowledge of pertaining scenery construction for the stage. Students will utilize designer and construction draftings, models, and sketches to build and paint scenery and props for the stage, while striving to maintain the highest integrity of the designer’s artistic vision.

Required Materials:  

Course Requirements:  
Participation at two (2) scheduled production strikes, active/meaningful participation during class hours, demonstrate advancement in scenery construction knowledge and vocabulary, demonstrated advancement in scene shop protocol, safety, and tool usage.

Grading:  
Theatre is a collaborative art. Everyone involved serves as an integral part of the production as a whole. Though, you may not be on stage performing, your craftsmanship is a vital aspect of every performance. Therefore, completing the minimum requirements each day will only earn a “C” grade. Effort above the minimum will be assessed on willingness to work, preparedness for each class, retention of training, readiness to help classmates, attention to safety, respect for equipment, and progress in basic scenic construction skills. Final grade will be a result of the combination of several separate aspects of the class.

Daily attendance:  3 points  (Sect1/Sect4)
Daily production evaluation:  10 points  135/140 possible
Strikes:  150 points  270/280 possible

Policies:
- Please be prepared for every class.
- Dress in a manner appropriate for work in a shop. Oils, dust and paint are common hazards to clothing. Shoes cannot be slip-ons or open-toed. Clothes cannot be extremely baggy or formal. Long hair must be tied back and contained so it does not fall forward; jewelry that may dangle into the moving parts of a tool is prohibited.
- Be ready to receive instruction at the top of the scheduled hour.
- Have the required items with you (tape measure, pencil, and safety glasses) and ready to use at the top of the scheduled hour. If you are not fully prepared for class, I reserve the right to release you from any duties for the day, which will prevent you from getting points for the day.
- Due to safety considerations, at no point during a student’s time spent in class or serving on a production (in any capacity) should non-enrolled persons be guests of that student without my consent. Presence of such unauthorized persons in a class, shop, or any backstage/off-stage area will negatively affect a student’s grade.
- A shop runs most effectively when it is clean and organized. At the end of each day, we will stop working no later than 15 minutes prior to the end of class so everyone can help clean the entire shop.
- You will be required to sign in at the start and out at end of each class. At the end of class everyone will be excused at the same time. Please be considerate to your fellow students and stay until cleanup is complete and the class has been released.
- **Cell phones may not be used during class time.** Use of cell phones during class time will result in a reduction of daily production points.
