Office: Science Complex 417-418 Phone: 243-4435 E-mail: donkiely@selway.umt.edu

Facpac (U of M Bookstore) Introduction to Organic Chemistry (Part 2) and Biological Chemistry - Chem 152 Course Notes - D. E. Kiely

General Information: This course is a continuation of “Organic Chemistry” begun in Ch 151 plus “Biological Chemistry”. It is scheduled for the entire semester.

Grading System: The course grade will be derived from the following:

- Top three of four term exams (each 120 points) 360 points
- Recitation Section 120 points
- Final exam (organic component) 120 points
- Total number of points 600 points

Exams:
1. Four term exams will be given and the three highest scores will be used in computing the term exams points. Students are encouraged to take all exams.
2. If a student misses one term exam, that is the exam that will be dropped. There are no make-up exams in this course. Missing two term exams will result in a failing grade.
3. All students must take the Final Exam.

Grades: Grades will be based on percentage of total points earned.
