## SPNS 101: Elementary Spanish 1, Spring 2017

**Instructor: Micaela Downey**

**Email: [micaela.downey@mso.umt.edu](mailto:micaela.downey@mso.umt.edu)**

**IMPORTANT:** University on Montana policy: you must use your official UM email account for any email correspondence with your instructor.

**Office:** LA 421

**Office hours: MWF 11:00am-12:00pm or by appointment**

**Course Description:** The purpose of this course is to begin developing proficiency in Spanish in all four skills (listening, speaking, reading, and writing). While grammatical topics are covered, the importance of using language for communicative purposes is emphasized. Since acquisition cannot take place without input in the target language, instructors use Spanish almost exclusively.

**Learning Outcomes: The successful student will be able to:**

1. Understand spoken and written Spanish in the context of common situations and in a basic range of grammatical structures and expressions, specifically, those emphasized in the *Puntos de partida* textbook, Chapters 1 - 6.
2. Produce comprehensible spoken and written Spanish, including short paragraphs and brief verbal responses to a range of communication topics, also specified by *Puntos de partida*.
3. Acquire knowledge of the geography, culture and people of regions where Spanish is spoken, as indicated by the cultural units provided in *Puntos de partida*.

**Required Class Materials:**

**Textbook:** Dorwick, Thalia...[et al.] *Puntos de partida: an invitation to Spanish, 9th edition*, Student Edition. Available at The Bookstore. Also available electronically via Connect or Kindle. In addition, there are grammar tutorials, and other content for practice available online. Your textbook is good for SPNS 101 and 102. Please see Moodle for more details.

- 5 narrow red scantrons (available at Bookstore, Market, and Corner Store), a #2 pencil
- A three-ring binder with dividers to organize class papers
- Standard 10.5" x 8" lined loose-leaf notebook paper

**Recommended Materials:**

- *Harrap's Spanish English Dictionary* or other dictionary
- *501 Spanish Verbs*
- Access to Workbook/Laboratory Manual to Accompany *Puntos de partida*, either paper or electronic edition. See Moodle for link to Connect, the platform provider for the electronic version.

**Materials in The Mansfield Library:**

- *Puntos de partida* Textbook, Chapters 1-6
- *Puntos de partida Workbook and Lab Manual Vol. 1*
- Emily Spinelli's *English Grammar for Students of Spanish*

**Grading:**

- Exams: 60% (Exams 1-4 = 10% each, **Final Exam = 20%**)
- Written homework to turn in: 20%
- Participation work, quizzes and attendance: 20%

**Exam Policy:** You will need a narrow red scantron and pencil for each exam. Only one missed exam is allowed if you contact the instructor prior to the exam with an acceptable excuse. The final exam grade will be used to replace the excused exam at the end of the semester. There will be no makeup exams. Please note; the final exam is cumulative, with a focus on the last three chapters. All electronic devices must be packed away for the duration of the exam. Once graded, exams will be available for viewing and review during office hours. **Students will not keep their exams.**

**Testing Anxiety:** There are many strategies for coping with testing anxiety. Some resources on campus include [Curry Health Center's Testing Anxiety workshops and courses in meditation](#), and Campus Recreation's Yoga classes.

**Homework:** You will have homework to complete every night. Your instructor will post this daily. In addition to spending time on new material, you should incorporate review on a regular basis. Please note that University guidelines state that for every one hour spent in class, you should expect to spend two hours on homework. This course is 5-credits and fast-paced, and your success in it will depend on your consistent dedication to your work, both in and outside of class. **You will need to budget 15 hrs./ wk. for this course.**

- **Online Work:** You are strongly encouraged to purchase the Connect supplement for the course where you will have access to a variety of exercise types to help you practice key concepts. You should sign up for the FREE two-week trial of Connect to learn about the range of options available. A paper workbook is also available from the bookstore for those that prefer working this way.
- **Written homework to turn in:** These will be announced in class with the heading **"PARA ENTREGAR"** They should be neatly hand-written, double-spaced with minimal cross-outs, on loose leaf paper (no spiral fringe) and ready to hand in at the start of class on the due date, unless otherwise specified. Please note that you may not submit these via email. You will also be writing short dialogues with one or two classmates.

You will be expected to use only vocabulary and grammatical structures that you have learned by the time of the assignment to complete these. Take on the challenge and be creative in expressing yourself with the language you know. Ultimately, you will have much more success in a second language if you are able to engage in this process. Please note that the use of online translators is prohibited. You are permitted to use a dictionary or your book's glossary. Wordreference.com is an excellent online dictionary.

**Participation, in-class assessments and quizzes:** There will be frequent in class assessments of your progress over the course of the semester. You may miss a total of three of these without it affecting your grade. No makeups will be permitted. These may be pop quizzes or other in-class work to ensure that you study at home and prepare for class, and will count toward your class participation. All electronic devices must be packed away for the duration of the assessment.

1. **Attendance:** Arrive for class on time. Attendance will be recorded daily at the beginning of class. More than five absences will result in a lower participation grade, as will late arrivals or early departures. If you do miss a class, it is your responsibility to find out what you missed to get caught up. Exchange contact information with at least two other classmates for this purpose.
2. **Homework:** Have homework already completed before class and be ready to discuss your work with others. Unannounced spot checks of homework may be used in calculating your participation grade.
3. Speak Spanish exclusively in class, even after finishing assigned activities.
4. Raise your hand often to respond to the instructor's questions or to offer ideas and opinions to the entire class.
5. Participate actively in small group and pair discussions by presenting ideas and opinions.

6. Demonstrate an attentive, alert, and engaged attitude during class as well as respect for others by contributing to a classroom atmosphere conducive to learning.
7. **Electronics: Please mute your cell phone and keep it packed away during class. The use of cell phones or other electronic devices during class without prior arrangement with your instructor is unacceptable**, and will result in a participation grade reduction. If you have only purchased access to your textbook via an online platform, such as Connect, you may have your computer open to access your book. Other use of the computer during class, such as emails, social media, completing work for other classes, or doing the online workbook material for this class is also unacceptable.

**Tutoring:**

- Talk with you instructor right away if you feel like you need extra help. If you earn a C or lower on any exam, you should work with a tutor.
- Study Jam Sessions are **free** and meet Mondays and Wednesdays 6:30 – 9:00 pm in the UC Commons (2<sup>nd</sup> floor dining area). Usually these begin the second week of classes.
- [TRIO](#) has **free** tutoring for those eligible. [Visit their website](#) for more information, or go to their office in Lommasson Center, 180.
- [The Writing Center](#) in Lommasson 271 has **free** Spanish writing help with Tom Bateridge. You will need to make an appointment by calling 243-2470 or visiting the [website](#).
- Some private tutors advertise on the MCLL bulletin board, on the southwest stairway, between the 3<sup>rd</sup> and 4<sup>th</sup> office floors.

**Academic honesty:** All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University. All students need to be familiar with the [Student Conduct Code](#).

**Grading scale \* Be sure you know what grade you need for your major**
