Gymnosperm Laboratory

5 weekly quizzes, starting week # 11 @40 pts. ea.	200
Laboratory Examination, over weeks 9-14 during lab, Week 15	200
Subtotal Points for Class	1240
Minus lowest quiz score for the semester	-40

Total Points for Class 1200

One make-up quiz for those who were absent for any quiz during the semester will be given near the last week of the semester, during the Gymnosperm section. The quiz will cover angiosperms, but can be used to count for a quiz missed during the Angiosperm section. Only one missed quiz can be made up, and only at the one time offered at the end of the semester.

In addition, the lowest quiz score for the semester will be dropped. If all quizzes were taken and show scores, the lowest of these will be dropped. If you missed, and did not make up a quiz, that missing grade (0 points) will be dropped. Weekly grades will be posted in the classroom and outside Yen and Burke's office, Journalism 105.
