• 300-349=D (.60)
• Less than 300=F

There may be several, in class, extra credit questions presented to the class during the semester and these will be worth a maximum of 4 points each. Each extra credit essay must be typed, double-spaced, and minimally one page (maximum of two pages) in length for full credit (unless specified otherwise). Hand-written extra credit work will not be accepted. The student can possibly acquire a maximum of 28 extra credit points during the semester.
ATTENDANCE POLICY

Attendance is considered essential in order to do well in this course. An attendance sheet will be passed out during each class period for the student to sign.

Attendance is worth a total of 100 points. Students may miss five classes without being docked points, but they will be docked 5 points for each additional, unexcused class missed.

If an exam is not taken by a student, and the student does not have an acceptable medical excuse (medical, legal, jury duty, loss of family member, etc.), the student must take a make-up exam within the next week and the highest possible grade that the student can receive is a grade of “C” (70%).

If a student has something occurring on the date of an exam that necessitates that they miss the class, the student must contact the instructor before the exam is given to inform him of this situation in order for the absence to be excused.
