Donations for a memorial scholarship fund honoring the memory of the late Roger Allen Buckhahn are being accepted by the University of Montana Foundation.

The Roger Allen Buckhahn Memorial Scholarship Fund was established by the immediate family and friends of Mr. Buckhahn, who died in a two-truck crash 20 miles east of Missoula on U.S. Highway 10 Feb. 14.

Mr. Buckhahn, 21, son of Mr. and Mrs. LaVerne R. Buckhahn of Elgin, Ill., was a junior forestry major at the University of Montana. At the time of his death he was returning to Yellowstone National Park where he was donating his time in a study on the effects of elk grazing and migration in the park area.

The $200 annual scholarship established by the fund tentatively will be awarded annually to a junior forestry major at the University who has a 2.2 grade point average or better & who is active in UM Forestry Club projects, especially the Foresters' Ball.

Donations may be sent to the Roger Buckhahn Fund in care of the UM Foundation, University of Montana, Missoula, Mont. 59801.
