CUSTODIANS' WORKSHOP  
SET FOR JUNE 9-10 AT UM

MISSOULA--

The University of Montana will host a two-day custodians' workshop in June for Western Montana educational institutions.

Kenneth Read, campus sanitarian, said the workshop June 9-10 is for "custodians and housekeepers interested in maintaining clean and safe environments in their schools."

The workshop, to be held in the UM University Center, is sponsored by the University, Missoula School District No. 1 and Missoula County High Schools.

Topics covered during the program will include a series of talks on maintenance of mechanical equipment, use of cleaners and sanitizers in maintaining showers and rest rooms, carpet maintenance, and maintenance of grounds.

"Time also will be set aside," said Read, "for groups participating in the workshop to discuss their own problems."

Custodian supervisors and industry representatives will be used as resource people at the discussions.

The workshop will end with a banquet.
