GARRY E. PITTS, UM
STUDENT AMBASSADOR,
TO VISIT LEWISTOWN

MISSOULA--

Garry E. Pitts of Dixon, a sophomore at the University of Montana, will visit with the Soroptomist Club next week in Lewistown.

Vice-chairman of the UM Student Ambassador Program, Pitts, 19, who is the son of Mr. and Mrs. Eugene L. Pitts of Dixon, will visit with members of the Lewistown Soroptomist Club at 8 p.m. Monday at the Steak House.

Pitts, who was graduated from Dixon High School in 1968, said the purpose of his visit next week to Eastern Montana is "to provide an information service to the adults in the community and surrounding area."

He said this will be the 28th trip for the ambassadors this year. The main function of the program is to provide information about the University of Montana for parents as well as students.

"The program for adults next week in Lewistown," Pitts said, "will be a presentation of the various problems and issues confronting the students at the University in Missoula today."

Pitts said he will be willing to discuss any potential problems about the campus, including voting age and the general problems faced by freshmen enrolling on the Missoula campus for the first time.

"My discussions in Lewistown," Pitts said, "will depend to a great degree on the questions asked by the audience."

He said he hopes the program "will lead to a greater appreciation of the human elements involved in university life in general."
