A SERIES OF AWARD-WINNING SHORTS SCHEDULED FOR UM MAY 2

MISSOULA--

"New Cinema One," first in a series of programs comprised of award-winning shorts by directors of the 60s and 70s, will be presented at the University of Montana (UM) May 2.

The films, scheduled for the University Center Ballroom at 9:15 p.m., are sponsored by the Program Council of the Associated Students at UM.

Included in the program will be "The Running, Jumping, and Standing Still Film" by Richard Lest. This film uses the cinematic techniques later seen in "A Hard Day's Night."

"Allures," directed by Jordan Nelson, which includes a hallucinogenic voyage into outer space, and "The Fat and The Lean" by Roman Polanki, a well known young director, will also be shown.

Other shorts by Mogubgub, Borowczyk, Truffaut, Bozzetto, de Daumont, and Marker comprise the rest of the program.

Admission for the showing is $1 at the door.
