4 NEW NDEA FELLOWSHIPS
AT U OF MONTANA

MISSOULA---

The Office of Education of the U. S. Department of Health, Education and Welfare has announced the allocation of four new National Defense Education Act Graduate Fellowships to the University of Montana to begin September 1970.

These fellowships are under the direction of Dr. John M. Stewart, dean of the UM Graduate School. The fellowships are three-year awards and are in support of graduate study leading to the Doctor of Philosophy degree or equivalent doctoral degree, in preparation for a career in college or university teaching.

This year's award brings the total of such fellowships to 14 at the University of Montana for the next academic year.

The grant provides stipends, fees and dependency allowances for the graduate students chosen as Fellows and also provides a cost-of-program ^{allowance} for each department concerned.
