250 HIGH SCHOOLERS
EXPECTED FOR NHS
MEETING FRI-SAT AT UM

MISSOULA--

Approximately 250 high school students from throughout the state are expected for the second annual conference of the National Honor Society Friday and Saturday (May 22-23) at the University of Montana.

The students will register between 9 a.m. and 5 p.m. Friday in the University Center, conference headquarters.

Mike Frellick, conference coordinator, said 20 students will receive scholarships totaling \$2,000 at the honor society banquet at 6 p.m. Friday in the University Center Gold Oak Room. The scholarships are presented through UM President Robert T. Pantzer by the UM Foundation.

Keynote speaker at the banquet will be Dr. Richard A. Solberg, dean of the UM College of Arts and Sciences. Thomas J. Collins, director of the UM Foundation, will be master of ceremonies, and Jack L. Hoover, UM director of admissions, will present the awards.

Pantzer will address the high school students at 9 a.m. Saturday in the University Center Montana Rooms, followed by an NHS model ritual to be presented by the Sentinel High School chapter of the honor society.

Frellick said the high school students would receive a tour of the University's primate colony at Ft. Missoula at 10:30 a.m. Saturday. The colony is under the direction of Dr. Robert R. Zimmermann, a psychology professor at the University.
