31 RECEIVE SUMMER
MATH FELLOWSHIPS
FROM NSF AT UM

MISSOULA-----

Thirty-one mathematics teachers from 18 states have ^{been} awarded National Science Foundation fellowships to do graduate study in mathematics at the University of Montana during the 1970 UM Summer Session from June 15-August 14.

The summer institute in mathematics, which leads to the Master of Arts degree for mathematics teachers after four summers of study, is being conducted by the UM Department of Mathematics. Department chairman is Dr. Howard E. Reinhardt.

Educators from Montana attending the institute will include Marvin A. Strom, Great Falls, East Junior High School; Philip L. Jones, Miles City, Custer County High School; John L. King, Helena, Sunhaven School; Charles F. Laber Jr., Billings, Riverside Junior High School, and Roger V. Hirschman, Billings, Will James Junior High School.
