NOTE: In this section graphing calculators and computers will be used regularly throughout the semester. If you don't have a graphing calculator, you will need to get one. The Department recommends the TI 82, TI 83 or TI 86. You will also need to have at least one diskette.

Grading: Course grades will be determined by the following:

Quizzes/computer activities	150 pts
Exams (3)	300 pts
Final exam	150 pts
Total \	<u>600 pts</u>

Quizzes will be given at various times during the semester and will be announced one classperiod in advance. The lowest quiz score will be dropped and quiz grades will be obtained by adding the rest of the scores. Make-up quizzes will NOT be given.
