MATH 251.01: Calculus III

Thomas Tonev

University of Montana, Missoula
SYLLABUS

CALCULUS 3 (Math 251) – Fall 2000 (4 cr.)

Teacher: Dr. Thomas Tonev (Office: MATH 210, ext. 4850, e-mail: mtet @ selway.umt.edu, http://www.math.umt.edu/~tonev/)

Technology Tools: Graphing Calculator

Prerequisites: Math 153

We meet: MTWF 9:10 – 10:00 in Room MATH 311

We will cover most of the material in Chapters 13 - 17. Not all of this can be covered in class. You are expected to read and work part of it on your own.

Grading policy:

There will be three group works, five homework assignments, one project, four quizzes, three midterm exams and final exam on December 21, Thursday (8:00 – 10:00) in MATH 311, same as classroom. Homework will be assigned, collected and returned to you.

Maximal credits:

Letter grades are assigned by the following rule:

A final percentage score of $s > 90\%$ means $A$;

$80\% < s \leq 90\%$ means $B$; $65\% < s \leq 80\%$ means $C$;

$55\% < s \leq 65\%$ means $D$; $s \leq 55\%$ means $F$;

Days of no classes: November 7 (Election Day), November 10 (Veteran’s Day), November 22-24 (Thanksgiving Vacation), December 18-22 (Final Exams).

Last day to drop/add by Cyberbear or Dial Bear this course is September 25; Last day to drop/add the course or grading option is October 16, after which a letter grade is assigned even if it means an $F$.

If you have any questions, complaints or concerns let me know during my office hours (10:30 – 11:30 a.m., MTWF, in MATH 210), or by appointment.

1Closed book; Reference sheets allowed.
2The final exam will be comprehensive.
3Homework is collected the next working day after assignment unless otherwise stated. Late homework is not accepted without teacher's consent.
